URINE	**SMOKE**	
DEAD BODIES	**ETC.**	

NET CONTENTS: **16 oz.** ■
1 GAL ■

WARNING: Flammable - Keep away from open flames

DIRECTIONS FOR USE

Tank Mix: Add 2 - 4 oz. of Odor-Killer Concentrate per gallon of Tank MIX. For dead rat & mouse odors, use 4 oz. Per gallon of Tank Mix and spray area thoroughly after removing bodies.

Floors & Carpets: DO NOT USE ON WOOD FLOORS. For other floor areas mix as stated above, spraying lightly. Best results can be obtained by mixing 6 oz. Per gallon of hot water in a conventional steam carpet machine.

Dumpsters & Garbage Containers: Add 16 oz. To 1 gal. Of hot soapy water and apply to all sides, top and bottom of container.

Dog Kennel: Mix 6 oz. In hot soapy water and scrub dog runs. Simply rinse off with water afterwards.

Precaution: The chemical used in this product will not harm most surfaces. However, a white spotting or filming may occur when this product contacts highly waxed surfaces. To remove theses spots simply rewax.

Notice of Warranty: Seller makes no warranty, expressed or implied, concerning the use of this product other than indicated on the label. Buyer assumes all risk of use and/or handling of this material.
