

SBC SOBEC ROOT MAX

SOIL AMENDMENT & CONDITIONER

GENERAL INFORMATION

When SBC SOBEC Root Max is applied at recommended rates to the soil, it may aid in the uptake of micronutrients.

DIRECTIONS FOR USE

SBC SOBEC Root Max is most effectively applied through irrigation water. It can be effectively applied through any irrigation system, including drip, micro-sprinkler, sprinkler, center pivot, furrow and flood. **SBC SOBEC Root Max** can also be sprayed directly on the soil surface preceding irrigation. It can also be used for seed soak, root dip, tanking-in new plantings and as a pop-up over seed.

MIX OR AGITATE BEFORE APPLYING PRODUCT

APPLICATION	RATE
Dilute Fertilizer	1 - 5 gpa

GENERAL SOIL RATES

Apply 1 to 5 gallons of **SBC SOBEC Root Max** per acre at planting or during the crop cycle. Rates and application timing varies for specific crops and soil conditions. Contact your SBC representative for specific recommendations.

CAUTION

KEEP OUT OF REACH OF CHILDREN

Do not ingest. Wash hands after using product.
If swallowed: call poison control or doctor for treatment advice.

PRECAUTIONS

If in eyes: hold eye open and rinse slowly and gently with water.
If on skin or clothing: take off contaminated clothing. Rinse skin immediately with plenty of water.

WARRANTIES & LIABILITIES

The manufacturer guarantees that the contents and total amounts are as stated, within lawful limits. Due to conditions beyond the control of Soil Basics Corp., such as time, place and rate of application; weather conditions; dispensing equipment; storage facilities; etc., the warranty shall be limited to refund of purchase price or replacement of product. Such is expressly agreed to by the buyer and exclusive sole remedy. In no event shall Soil Basics Corp. be liable for indirect or consequential damages. The manufacturer warrants that this product consists of the specified ingredients listed on the label and is reasonably fit for the purpose stated when used in accordance with the directions under normal conditions of use. No one other than an officer of Soil Basics Corp is authorized to make any other warranty or guarantee regarding this product.
