

# Converted Organics™ XK 2-2-4

## 2 - 2 - 4

Converted Organics™ XK is marketed as a natural fertilizer whose nutrients are derived from grain fermentation solubles and sulfate of potash. Converted Organics™ XK has been formulated to provide the grower with a high quality, fully pasteurized general purpose liquid fertilizer suitable for use on a variety of crops. Converted Organics™ XK contains a readily available source of potassium and is recommended for the promotion of plant vigor, development of a sturdy root system and for the forming of protein in plants. Converted Organics™ XK is recommended for use on both organic and conventional agricultural soils.

#### APPLICATION RECOMMENDATIONS

- **Lawn & Garden application:**  
10-20ml per gallon of water.
