

CROP MAX-N 15-0-2

GENERAL INFORMATION

CROP MAX-N is formulated for field, vegetable, row, fruit, tree, vine, ornamental and turf crops.

CROP MAX-N may be applied alone or with fertilizers or pesticides. It may be applied either to the plant foliage or to the soil.

CROP MAX-N is compatible with most pesticides and fertilizers, except lime-sulfur, basic metal sulfates, metal oxides, etc. However, a compatibility test is recommended if the desired combination has not been used in the past.

DIRECTIONS

Shake or stir contents before use. Add to spray tank last.

RATES FOR USE

All crops:

Maintenance: 1-2 qt/acre

Mild deficiency: 2-4 qt/acre

High deficiency: 4 qt/acre

Field, row, vegetable crops: Use the lower rates indicated above.

Fruit, tree, vine crops: Use the higher rates indicated above.

CAUTION: Do not apply when crops are under stress. DO NOT apply to apples, apricots, nectarines, plums, prunes and other smooth-skinned fruit or grapes during bloom. Do not use on apples during drying conditions.

NOTE: When rates of over 2 quarts are called for, split or multiple applications are preferred.

Drip Irrigation Application: Apply the suggested rate of this product in multiple applications 10-14 days apart throughout the growing season of the crop.

Aerial Application: Apply 2 quarts per 8-10 gallons of water per acre.

KEEP OUT OF REACH OF CHILDREN

WARNING

PRECAUTIONARY STATEMENTS

WARNING Hazardous to humans and animals. Causes eye and skin irritations. When mixing or applying agricultural sprays, always wear spray goggles and impervious gloves plus protective clothing as recommended on pesticide labels.

FIRST AID

If this product gets into the eyes, immediately wash the eyes with large amounts of water for at least 15 minutes, occasionally lifting the upper and lower lids. Obtain immediate medical treatment. If this product gets on the skin, immediately wash the contaminated area. Seek medical attention if skin irritation persists. If this product has been swallowed and the person is conscious, immediately give large volumes of water. Do not induce vomiting. Seek immediate medical attention.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal. Follow all recommended governmental procedures for disposal of pesticide spray solutions. Rinse container, empty rinsate and spray tank. Contact county agricultural commissioner for container disposal information.

CONDITIONS OF SALE

The statements made on this label are believed to be true and accurate, but because of conditions of use which are beyond our control, the manufacturer does not make nor does it authorize any agent or representative to make any warranty or representation, expressed or implied, concerning this material or the use thereof except in conformity with the statements on the label. The buyer assumes all risk and liability resulting from improper handling, storage or use and accepts and uses this material on these conditions. If these conditions are unacceptable to the buyer, he should immediately return the unopened product to the seller.
