

# SPREADER STICKER DEPOSITION AID

## **Principal Functioning Agents:**

| Synthetic latex and alcohol ethoxylate           | 55% |
|--|-----|
| Constituents ineffective as spray adjuvant       |     |
| TOTAL  |     |
| CA Reg. No. 34704-50033; WA Reg. No. 34704-04003 |     |

# **KEEP OUT OF REACH OF CHILDREN**

Hazard and Precautionary Statements: Causes serious eye irritation. Causes mild skin irritation. Wash Hands thoroughly after handling. Environmental Precautions: Prevent further leakage or spillage if safe to do so. Do not contaminate water. Do not allow to enter drains, sewers, or watercourses.

NET CONTENTS: 275 GAL. (1040 L)

Loveland Products, Inc. PO Box 1286 • Greelev. CO 80632-1286

Personal Protective Equipment: Wear protective gloves/protective clothing/eye protection/face protection.

FIRST AID: If in eyes: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice. If on skin or clothing: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice. If swallowed: Call a poison control center or doctor immediately for treatment advice. Have a person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by the poison control center or doctor. Do not give anything by mouth to an unconscious person. If Inhaled: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control center or doctor for further treatment advice.

### FOR A MEDICAL EMERGENCY INVOLVING THIS PRODUCT CALL: 1-866-944-8565.

Have the product container or label with you when calling a poison control center or doctor, or going for treatment.

**General:** BOND® is a very efficient sticker for agriculture and can be used in terrestrial or aquatic settings. BOND's adhesion properties increase initial deposition, reduces run-off and secures spray from rain or overhead irrigation. Apply sprays containing BOND at least one hour before an anticipated rain or overhead irrigation. Once the spray has dried, BOND will adhere the pesticides.

Directions for Use: SHAKE WELL BEFORE USE. Fill spray tank ½ full with water and begin agitation. Add pesticides as directed by the label while maintaining agitation and continue to fill. After pesticides are thoroughly mixed, continue agitation and add BOND at desired rate. Some pesticides have stated adjuvant use rates. In all cases, the pesticide manufacturer's label should be consulted regarding specific use recommendations and that rate followed. Do not add adjuvant at a level that would exceed 5% of the finished spray volume. For tank mix compatibility concerns, conduct a jar test of the proposed mixture to ensure compatibility of all components. Mix components in the same ratio as the proposed tank mix.

**Suggested use rates:** The sticking efficiency of BOND varies from pesticide to pesticide, so the usage rate will be association with the formulation being sprayed.

# 1 to 2 pints per 100 gallons

# OR

2 to 4 fluid ounces per acre
Rinse tank and nozzles immediately after spraying. Observe the pre-harvest interval on the pesticide label when using BOND. No time limitations apply to non-food crops.

## STORAGE AND DISPOSAL

**Storage:** Store in a cool, dry place. Store in original container. Keep tightly closed. Do not reuse empty container. **Disposal:** Do not contaminate water, food or feed by storage or disposal. Dispose of contents/container on-site or at an approved waste disposal facility. Triple rinse (or equivalent) adding rinse water to spray tank. Offer container for recycling or dispose of container in sanitary landfill, or by other procedures approved by appropriate authorities. Recycling decontaminated containers is the best option of container disposal. The Agricultural Container Recycling Council (ACRC) operates the national recycling program. To contact your state and local ACRC recycler visit the ACRC web page at www.acrecycle.org.
