Staunch™ Herbicide

EPA Reg. No. 62719-570-55467

For Use On Herbicide Tolerant and Conventional Field and Silage Corn

ATTENTION

- It is a violation of Federal law to use this product in a manner inconsistent with its labeling.
- This label must be in the possession of the user at the time of pesticide application.
- Read the label affixed to the container for Staunch™ herbicide before applying. Follow all applicable use directions and precautions on the EPA-registered label.
- Use of Staunch according to this supplemental labeling is subject to all restrictions and limitations imposed by the label affixed to the product container.

Directions for Use

Refer to product label for Directions for Use, General Use Precautions, Mixing and Application instructions.

Staunch™ herbicide is designed for use on herbicide tolerant field corn and silage corn such as Roundup Ready® or Liberty Link® field and silage corn. Staunch may also be used on conventional field and silage corn at specified use rates for early season foundation weed control. This will allow for optimal timing of a sequential postemergence corn herbicide.
