

PrimaFresh® 55 EU

P O S T H A R V E S T

Vegetable Oil-Based Protective Coating for Stone Fruit and Vegetables

Prima Fresh 55 EU is a concentrated emulsion of vegetable oil formulated to coat fruit and vegetables, provide shine, and control dehydration and/or loss of firmness. Prima Fresh 55 EU may be used as a vehicle for applying post-harvest fungicides. Read the fungicide label for specific directions.

For Agricultural Use Only

This product conforms with FDA regulations, 21 CFR, Part 172, for food coatings.

PRINCIPAL INGREDIENTS: Proprietary food grade ingredients.

WARNING

KEEP OUT OF REACH OF CHILDREN

HAZARD STATEMENTS Causes mild skin irritation. Causes eye irritation.
PRECAUTIONARY STATEMENTS Observe good industrial hygiene practices. Wear protective clothing, chemical resistant gloves, and safety glasses. Wash hands after handling.
FIRST AID STATEMENTS IF ON SKIN: Wash with plenty of soap and water. Obtain medical attention if irritation persists. IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: get medical advice/attention. IF SWALLOWED: Rinse mouth. Do not induce vomiting. If vomiting occurs naturally, have victim lean forward to reduce risk of aspiration. Never give anything by mouth if victim is unconscious or is convulsing. Obtain medical attention. IF INHALED: If symptoms develop move victim to fresh air. If symptoms persist, obtain medical attention.

DIRECTIONS FOR USE

1. Apply Prima Fresh 55 EU directly or diluted on previously washed and dried fruit surface.
2. If diluted before application, use soft water. Dilution ratios may be adjusted to suit specific needs.
3. On nectarines, plums, peaches and other round fruits and vegetables, Prima Fresh 55 EU is applied by spraying over brushes or rollers at a rate of 1 gallon (3.8 l) of concentrate per 20,000 - 25,000 pounds (9100 - 11,300 kg) of fruit.
4. If mixing with post harvest fungicides, agitate continuously. May be injected into aqueous fungicide mixture.

NOTICE: Food & Drug Administration Act 403(i)(2) requires that fresh produce coated with this product be labeled "Coated with food grade vegetable and/or shellac based resin or wax" on bulk and individual retail/consumer packages.

STORAGE AND DISPOSAL

STORAGE: Store in a cool, dry area at room temperature, and away from direct sunlight. Keep container tightly closed and upright to prevent leakage and contamination. Once opened, use entire content with 45 days. Keep out of reach of children and livestock.

PRODUCT DISPOSAL: Wastes resulting from the use of this product must be disposed on site or in accordance with local/regional/national/ or international regulations.

CONTAINER DISPOSAL: Nonrefillable container. Do not reuse or refill empty container. Triple rinse (or equivalent) during mixing and loading. Recycling decontaminated containers is the best option of container disposal. Decontaminated and punctured containers may also be disposed of in a sanitary land fill.

NOTICE TO BUYER

IMPORTANT: Read the information below before using this product. If the terms are not acceptable, you should return the unopened product container immediately for a complete refund.

LIMITED WARRANTY, TERMS OF SALE, AND LIMITATION OF LIABILITY

Upon purchase or use of this product, purchaser and user agree to the following terms:

Warranty: Pace International, LLC (the Company) warrants that this product conforms to the chemical description on the label in all material respects. To the extent consistent with applicable law, except as expressly stated in the foregoing sentence, the Company makes no further warranties and expressly disclaims any implied warranties of merchantability or fitness for a particular purpose and any representation or warranty.

Terms of Sale: The Company's directions for use of this product must be followed carefully. It is impossible to eliminate all risks inherently associated with use of this product. Crop injury, ineffectiveness or other unintended consequences may result because of such factors as weather conditions, presence of other materials, and the manner of use or application (including failure to adhere to label directions), all of which are beyond the Company's control. To the extent consistent with applicable law, all such risks are assumed by the user.

Limitation of Liability: To the extent consistent with applicable law, the exclusive remedy against the Company for any cause of action relating to the handling or use of this product is a claim for damages, and in no event shall damages or any other recovery of any kind exceed the price of the product which caused the alleged loss, damage, injury or other claim. To the extent consistent with the applicable law, under no circumstances shall the Company be liable for any special, indirect, incidental or consequential damages of any kind, including loss of profits or income. To the extent consistent with applicable law, the Company and the seller offer this product, and the purchaser and user accept this product, subject to the foregoing warranty, terms of sale and limitation of liability, which may be varied or modified only by an agreement in writing signed on behalf of the Company by an authorized representative.
