

SSC-11™

Spray System Cleaner

PRINCIPAL FUNCTIONING AGENTS:

Proprietary blend of alkalinity builders, emulsifiers, surfactants and formulation aids.....

% By Wt.

100%

All ingredients are approved for use under 40 CFR 180.

KEEP OUT OF REACH OF CHILDREN

DANGER

Causes serious eye damage and severe skin burns. Harmful if swallowed.

PRECAUTIONARY STATEMENTS

Do not breathe mist or spray. Wear rubber or chemical-resistant gloves and face protection. Wash thoroughly after handling. Do not eat, drink or smoke when using this product.

FIRST AID	
If in eyes:	Immediately call a POISON CENTER or doctor. Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing.
If on skin or hair:	Take off immediately all contaminated clothing. Rinse skin with water. Wash contaminated clothing before reuse.
If swallowed:	Call a POISON CENTER or doctor if you feel unwell. Rinse Mouth. Do NOT induce vomiting.
If inhaled:	Remove person to fresh air and keep comfortable for breathing. Immediately call a POISON CENTER or doctor.
Have the product container with you when calling a poison control center or doctor, or going for treatment. You may also contact EMERGENCY TELEPHONE NUMBERS: (800) 424-9300 CHEMTREC (transportation and spills) (800) 222-1222 Poison Control Center (human health) (888) 426-4435 ASPCA (animal health)	

Before using this product, read the entire label, including the conditions of sale.

FOR USE BY TRAINED PERSONNEL ONLY.

GENERAL INFORMATION

SSC-11™ exceeds the capabilities of ordinary tank cleaners. SSC-11 emulsifies oily residues in sprayer lines and hoses while elevating rinsate pH to degrade vulnerable crop protection products. Rinsate solutions resulting from a cleaning with SSC-11 may be applied to a proper field site in a manner consistent with the pesticide label that corresponds to the pesticide residue contained or possibly found in the rinsate or must be disposed of in compliance with local, state and federal guidelines.

PERSONAL PROTECTIVE EQUIPMENT (PPE)

Applicators or other handlers of this product must wear: coveralls worn over long-sleeved shirt and long pants, socks, chemical-resistant footwear, chemical-resistant gloves and eye protection. When mixing and loading wear a chemical-resistant apron. Consult the MSDS for further information.

DIRECTIONS FOR USE

To verify the effectiveness of the cleaning process, apply rinsate to sensitive vegetation and observe treated plants for at least 48 hours. If damage occurs, repeat cleaning process and testing procedures. If no damage is observed, dispose of the test rinsate in an appropriate manner according to local, state and federal regulations.

USE RATES

Use 1 quart per 50 gallons of clean water.

MIXING INSTRUCTIONS

1. Clean all tanks on a state-approved loading pad so rinsate can be collected and mixed into spray solution or into a dedicated rinsate tank. In-field clean-out, go to step 3.
2. Drain the spray tank as completely as possible. Loosen any visible deposits.
3. Conduct a pre-rinse by charging system with 100-200 gallons of clean water. Recirculate for 10 minutes and spray half of the rinsate through the nozzles.
4. Remove end-caps on boom sections and spray remaining 50-100 gallons through the booms.
5. Remove nozzles, screens and strainers and thoroughly clean separately in a bucket, using SSC-11 as the cleaning agent. Allow to soak while completing the cleaning process.
6. Charge the system again with 100-200 gallons of clean water and the appropriate rate of SSC-11. Ensure agitation and carefully clean the interior of the tank using a 360° rotation nozzle or pressure sprayer. Recirculate for 15 minutes and spray half of the rinsate through the nozzle bodies and the other half through the spray boom sections until tank is empty.
7. Drain lines and pump. Dispose of rinsate according to product label and local, state and federal regulations.
8. Rinse nozzles, screens, strainers and end-caps with clean water and re-install.
9. Flush the system by adding 50–100 gallons of clean water to the tank. Recirculate though entire system. Flush solution through the boom, hoses and nozzles until tank is empty.
10. Drain the tank, lines and pump completely. Remove excess rinsate with a pump or dedicated wet/dry vacuum.
11. Repeat steps 6, 9 and 10 if necessary.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage, disposal or cleaning of equipment.

STORAGE: Store in original container only and keep tightly closed. Store locked up in closed storage areas.

PRODUCT DISPOSAL: Dispose of contents in accordance with all government regulations. Improper disposal of excess spray mixtures or rinsate is a violation of Federal law. Wastes resulting from use of this product should be disposed of through on site spray application or at an approved waste disposal facility.

CONTAINER HANDLING: Dispose of container in accordance with all government regulations. Triple rinse (or equivalent), then offer for recycling, if available or reconditioning, if appropriate. Alternatively, puncture and dispose of the container in a sanitary landfill or by other procedures approved by state and local authorities. Recycling cleaned containers is the best option of container disposal. ACRC (Agricultural Container Recycling Council) operates a national recycling program. To contact your state and local ACRC recycler, visit the ACRC web page at www.acrecycle.org.

Conditions of Sale and Limitation of Warranty and Liability:

NOTICE: Read the entire Directions for Use and Conditions of Sale and Limitation of Warranty and Liability before buying or using the product. If the terms are not acceptable, return the product at once, unopened, and the purchase price will be refunded

The Directions for Use of the product must be followed carefully. All risks of use shall be assumed by Buyer and User, and Buyer and User agree to hold Manufacturer and Seller harmless from any claims relating to such factors.

Seller warrants that this product conforms to the chemical description on the label. EXCEPT FOR THIS WARRANTY, THE PRODUCT IS FURNISHED "AS-IS", AND NEITHER SELLER NOR MANUFACTURER MAKES ANY OTHER WARRANTIES, EXPRESS OR IMPLIED, WITH RESPECT TO THE SELECTION, PURCHASE OR USE OF THIS PRODUCT; SELLER AND MANUFACTURER SPECIFICALLY DISCLAIM ANY WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE BEYOND WHAT IS STATED ON THE LABEL.

Neither Manufacturer nor Seller shall be liable for any incidental, consequential or special damages resulting from the use or handling of this product. THE EXCLUSIVE REMEDY OF THE BUYER OR USER, AND THE EXCLUSIVE LIABILITY OF MANUFACTURER AND SELLER, FOR ANY AND ALL CLAIMS, LOSSES, INJURIES OR DAMAGES (INCLUDING CLAIMS BASED ON BREACH OF WARRANTY, CONTRACT, NEGLIGENCE, TORT, STRICT LIABILITY OR OTHERWISE) RESULTING FROM THE USE OR HANDLING OF THIS PRODUCT, SHALL BE THE RETURN OF THE PURCHASE PRICE OF THIS PRODUCT, OR, AT THE ELECTION OF MANUFACTURER OR SELLER, THE REPLACEMENT OF THE PRODUCT.

These Conditions of Sale and Limitation of Warranty and Liability shall be interpreted, unless otherwise required by the law of the state of purchase, in accordance with the laws of the State of California, excluding its conflicts of laws rules, and may not be amended by any oral or written agreement.
