F. 1360 1639

Monty's® Calcium Plus is a chelated calcium supplement to plants and soil. Calcium deficiencies in plants appear in both the leaves and stems of plants. Monty's Calcium Plus can be applied to the foliage of plants, included in hydroponics solutions and soils. Severe deficiencies of calcium will require additional applications.

Dilution Instructions: 1 ounce per one gallon of water; 5 ounces per five gallons of water.

Application Rates

Mix solution in water at dilution rate and spray foliage or for soil applications apply 64 ounces of the Monty's Calcium Plus per acre in a minimum of 15 gallons of water. Always conduct soil test to determine nutrient levels and make needed amendments to assure good fertility levels in your soil. Monty's Calcium Plus is a supplement to your fertilizer program.

Net Contents - 2.5 US Gal (9.46 liters)

Net Weight - 22.75 lbs (10.32 kg)

Monty's Calcium Plus is a supplement to your current fertilizer program. It is best applied to the seed or plant directly. Monty's is not recommended to replace the nutrients typically added to the soil. We suggest taking a soil test and have a qualified independent lab analyze the samples to determine nutrient levels in your soils and then follow recommended applications to ensure proper nutritional levels.

Use of Monty's with Farm Chemicals

Monty's products are compatible with many farm chemicals, but Monty's does not guarantee it to be so. When tank mixing any Monty's products with other farm chemicals, always read and follow the label directions of the chemical(s) you are considering. Monty's suggests administering a jar test and/or a strip test before adding Monty's to your tank mix. When mixing with other farm chemicals, it is suggested to tank mix Monty's only after diluting the chemical according to label directions. Knowing the chemical's "mode of action" (block photosynthesis) or metal content (copper based) will help determine the compatibility of Monty's. Please call (800) 978-6342 with any questions.

Storage and Handling

Keep container closed when not in use. Avoid freezing. This product contains organic materials which may settle and should be shaken or stirred if stored. Refer to the MSDS for other safety and handling information.

Limited Warranty

Monty's warrants that this product meets its manufacturing specifications. If it does not, Monty's will, at its option, replace the product or refund the purchase price. In no event shall Monty's be liable for special, incidental or consequential damages or for damages in the nature of penalties. Monty's shall not be liable in any way for claims resulting from any use of this product which is not in strict accordance with all directions, cautions and warnings on the label or labels.

KEEP OUT OF REACH OF CHILDREN. HARMFUL IF SWALLOWED. AVOID CONTACT WITH SKIN, EYES, OR CLOTHING. Flush skin, eyes or clothing as soon as possible.
