Bentonite, Lactose, Casein.....	69%
Constituents Ineffective as Spray Adjuvant: ...	31%
Total:.....	100%

CA Reg. No. 48813-50010

DIRECTIONS FOR USE

BRANDT ORGANICS SKH STICKER is a premium sticker that enhances the effectiveness of agricultural insecticides, insect growth regulators, fungicides and herbicides by resisting rain and irrigation wash-off.

Read and follow the precautions, restrictions and recommendations on the labels of pesticides used with this product. Use according to the most restrictive label directions for each product in any tank mix.

COMPATIBILITY: BRANDT ORGANICS SKH STICKER is compatible with most agricultural chemicals. However, if the desired combination has not been previously used, a compatibility test is recommended.

MIXING: Fill spray tank ½ full of water and begin agitation. Add this product at agitation level with paddles turning and then follow with other ingredients as directed by label or in the following sequence and continue filling tank: (1) Dry flowables or water dispersing granules, (2) Wettable powders, (3) Flowables, (4) Solutions, (5) Emulsifiable concentrates. Alkaline water promotes the degeneration of certain pesticides. Buffer spray tank solution to a pH below 8.0. Continue agitation until spray solution is completely mixed. If spray solution has been allowed to stand, thoroughly agitate and remix before application.

RECOMMENDATIONS: Specific use rates will vary with conditions of application such as water hardness, application method, equipment, spray droplet size, condition of foliage, etc. Also, higher rates than those below may be used if recommended by pesticide labeling. Follow pesticide label directions. However, do not add this product at a rate which exceeds 5% of the finished spray volume.

Ground Application:

With Insecticides and insect growth regulators: Use 3/4 lb. per 100 gallons of spray solution.

With fungicides and herbicides: Use 1-2 lb. per 100 gallons of spray solution.

Aerial Application:

Use 2-3 lb. per acre in a minimum of 10 gallons of spray solution.

NET WEIGHT: 5 LB / 2.2 KG

PACKED: 10 X 5 LB / 2.2 KG

⚠ WARNING

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

WARNING: Causes skin irritation and serious eye irritation. Wear protective gloves and eye/face protection. Wash thoroughly after handling. Take off contaminated clothing and wash before reuse.

ENVIRONMENTAL HAZARDS

Do not contaminate water when cleaning equipment or disposing of equipment washwaters.

FIRST AID

Have the product container or label with you when calling a poison control center or doctor or going for treatment.

IF ON SKIN: Wash with plenty of water. If skin irritation occurs, get medical advice.

IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists, get medical advice.

STORAGE AND DISPOSAL

DO NOT CONTAMINATE WATER, FOOD OR FEED BY STORAGE OR DISPOSAL.

STORAGE: Store in original container in a cool, dry place away from children, animals, foods, feeds and seeds. Store away from incompatible materials.

PRODUCT DISPOSAL: Dispose of waste and residues in accordance with local authority requirements.

CONTAINER DISPOSAL: Nonrefillable container. Do not reuse or refill this container. Completely empty bag into application equipment. Then offer for recycling, if available, or dispose of empty bag in a sanitary landfill or by incineration, or if allowed by state and local authorities, by burning. If burned, stay out of smoke.

WARRANTY: Seller warrants that the product conforms to its chemical description and is reasonably fit for the purpose stated on the label when used in accordance with directions under normal conditions of use; but neither this warranty nor any other warranty of merchantability or fitness of a particular product expressed or implied, extends to the use of this product contrary to label conditions, or under conditions not reasonably foreseeable to the seller; and buyer assumes the risk of any such use.
