

SURF AMMO® AMS

AMS WATER CONDITIONING AGENT
NON-IONIC SURFACTANT BLEND

GENERAL INFORMATION

SURF AMMO® AMS is an aqueous ammonium sulfate combined with a surfactant to provide a convenient adjuvant. SURF AMMO® AMS should be utilized with agricultural chemicals which require the addition of surfactant and ammonium sulfate.

DIRECTIONS FOR USE

Fill spray tank 1/2 full of water and begin agitation. Add desired amount of SURF AMMO® AMS to spray tank before adding agricultural chemicals which are susceptible to being complexed with cations (Ca, Mg, Fe) in hard water. Add pesticides, as directed by label, while maintaining agitation. Always add SURF AMMO® AMS to water before pesticides.

SUGGESTED USE RATE

10 GPA spray volume:
1-2 quarts per acre SURF AMMO® AMS or 2.5-5 gallons per 100 gallons.

2.5 gallons of SURF AMMO® AMS per 100 gallons will supply 0.5% (2 quarts per 100 gallons) surfactant and a source of ammonium sulfate.

Note: The use recommendations are considered to be adequate for most uses. Some pesticides, however, may require higher rates for optimum effect. Follow the pesticide label directions when this occurs. However, do not add this product at a rate which exceeds 2% of the finished spray volume.

Principal Functioning Agents:

Ammonium Sulfate, Alkyl PolyGlycosides and Dimethylpolysiloaxane.....	36.00%
CONSTITUENTS INEFFECTIVE AS SPRAY ADJUVANT.....	64.00%
TOTAL.....	100.00%

KEEP OUT OF REACH OF CHILDREN

WARNING

Hazard Statements

Causes serious eye irritation.
Causes mild skin irritation.

FIRST AID

IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing.

IF ON SKIN: Take off immediately all contaminated clothing. Rinse skin with water or shower. Wash contaminated clothing before reuse.

IF SWALLOWED: Rinse mouth. Do not induce vomiting. Call a Poison Control Center or doctor if you feel unwell.

IF INHALED: Remove person to fresh air and keep comfortable for breathing. Immediately call a Poison Center or doctor for advice.

PRECAUTIONARY STATEMENTS: Do not get in eyes, on skin or on clothing. Wash hands, forearms, and other exposed areas thoroughly after handling. Do not eat, drink or smoke when using this product. Wear impervious gloves, protective clothing, and eye protection (goggles/full face shield). Do not breathe vapors, mist, or spray.

ENVIRONMENTAL PRECAUTIONS: Prevent further leakage or spillage if safe to do so. Do not contaminate water. Do not allow to enter drains, sewers, or watercourses.

Have product container or label with you when calling a Poison Control Center or Doctor for treatment. (24 hour Emergency Response Chemtrec 1-800-262-8200)

STORAGE AND DISPOSAL

Prohibitions: Do not contaminate water food or feed by storage, disposal or cleaning of equipment.

Storage: Store in original container only and keep sealed. Store in closed storage areas. Use caution when moving, opening, closing or pouring.

Pesticide Disposal: Improper disposal of excess spray mixture or rinsate is a violation of federal law. Wastes resulting from use of this product should be disposed of through on site application or at an approved waste disposal facility.

Container Disposal: Triple rinse (or equivalent), then offer recycling or reconditioning, or puncture and dispose of in a sanitary landfill, or other procedures approved by state and local authorities.

NOTICE: The statements made on this label are believed to be true and accurate but because of conditions of use which are beyond our control, Mar Vista Resources, LLC does not make nor does it authorize any agent or representative to make any warranty, guarantee or representation, expressed or implied, concerning this material or the use thereof, except in conformity with the statements of the label. Neither Mar Vista Resources, LLC nor the seller shall be held responsible in any manner for any personal injury or property damage or loss resulting to the buyer or to the other person from handling, storage or use of this material not in accordance with the directions. The buyer assumes all risk and liability resulting from improper handling, storage or use and accepts and uses this material on these conditions. This product meets E.P.A. Requirements under Title 40 CFR 180.1001 subparagraph C&D.
