

AD-SORB FC™

SOIL WETTING AGENT

CONTAINS NON-PLANT FOOD INGREDIENTS

45.15% Alkylglucoside, 1,2,3-tri-hydroxypropane, polydimethylsiloxane
Store above 32°F.

KEEP OUT OF REACH OF CHILDREN

DANGER

CAUSES SKIN IRRITATION. CAUSES SERIOUS EYE DAMAGE.

PRECAUTIONARY STATEMENTS: Wash thoroughly after handling. Specific treatment see First Aid section on this label.

PERSONAL PROTECTIVE EQUIPMENT: Wear protective gloves / protective clothing / eye protection / face protection. Take off contaminated clothing and wash before reuse.

FIRST AID: Immediately call a poison center / doctor. **IF ON SKIN** Wash with plenty of water. If skin irritation occurs get medical advice / attention. **IF IN EYES** Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing.

STORAGE AND DISPOSAL: Do not contaminate water, food or feed by storage or disposal. **STORAGE** Do not store below 32°F or above 120°F. **DISPOSAL** Do not reuse empty container. Wastes resulting from the use of this product must be disposed of on site or at an approved waste disposal facility. Triple rinse (or equivalent) during mixing and loading. Recycling decontaminated containers is the best option of container disposal. The Agricultural Container Recycling Council (ACRC) operates the national recycling program. To contact your site and local ACRC recycler, visit the ACRC web page at www.acrecycle.org. Decontaminated containers may also be disposed of in a sanitary landfill.

GENERAL INFORMATION

PHT AD-SORB FC is a unique, plant derived, soil wetting agent, formulated to enhance the infiltration and uniform distribution of irrigation water and rainfall in a variety of soil types. PHT AD-SORB FC will improve irrigation efficiency and increase soil moisture content.

Apply PHT AD-SORB FC through injection systems or through the use of conventional spray equipment.

Manufactured for:
J.R. SIMPLOT COMPANY
P.O. Box 70013, Boise, ID 83707 • (208) 336-2110
P.O. Box 198, Lathrop, CA 95330

SPECIMEN

AD-SORB FC™

DIRECTIONS FOR USE

For Soil Moisture Management: Use 1 quart per acre of PHT AD-SORB FC through any type of irrigation system. First application should be made at initial irrigation cycle. A follow-up application of 1 pint per acre is recommended two weeks after initial application. Continue with 1 pint per acre every 4 to 6 weeks. Schedule the last application of the season with the final full irrigation cycle.

Conventional Mix Tank Sprayers: Apply PHT AD-SORB FC at 2% v/v (2 gallons per 100 gallons) of spray solution and apply at a rate of 1 to 4 pints per acre.

Conduct a jar test in advance to confirm tank mix compatibility. Fill tank mix 1/2 full with water, then add PHT AD-SORB FC without agitation. Add remaining ingredients, fill with remaining water, then agitate. The addition of an antifoam agent will minimize foam.

For Use On All Agricultural Crops.

NOT A PLANT FOOD INGREDIENT.

NOT FOR AQUATIC USE.

DISCLAIMER OF WARRANTIES: J.R. Simplot Company warrants that the chemical composition of this product conforms to the chemical description and is reasonably fit for the purpose as stated on the label only when used in accordance with label directions under normal conditions of use. To the extent consistent with applicable law J.R. Simplot Company makes no other EXPRESS or IMPLIED WARRANTIES either OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR USE. Handling, storage and use of the product by Buyer or User are beyond the control of J.R. Simplot Company and seller. To the extent consistent with applicable law risks such as crop injury, ineffectiveness of other unintended consequences resulting from, but not limited to, ether or soil conditions, presence of other materials, disease, pest, drift to other crops or property or failure to follow label directions will be assumed by the Buyer or User; To the extent consistent with applicable law, in no case will J.R. Simplot Company or Seller be held liable for consequential, special or indirect damages resulting from the handling, storage or use of this product.
