

GUARANTEED ANALYSIS

Total Nitrogen (N)	5.00%
5.00% Ammoniacal Nitrogen	
Zinc (Zn)	6.00%
3.00% Chelated Zinc	

DERIVED FROM: Zinc Oxide and Zinc EDTA.

**KEEP OUT OF REACH OF CHILDREN
PRECAUTION**

Do not ingest. Avoid contact with skin, eyes or clothing.
Avoid breathing dust, vapor or mist.

Information regarding the contents and levels of metals in this product is available on the Internet at <http://www.aapfco.org/metals.htm>

FRUIT AND NUT CROPS (including but not limited to apples, almonds, grapes, pears, and citrus): Soil Applications: ¼-1 gallon of TILL-IT ZINC 6% per tree depending on soil conditions and size of tree. It is important to spread material uniformly around the tree and water it thoroughly for rapid response.

FERTILIZER IMPREGNATION: TILL-IT ZINC 6% may be used to coat dry fertilizers to maximize distribution uniformity of the desired micronutrients. Rates as high as 2.5 gallons per ton may be used depending on the dry fertilizer to be coated, blender and prevailing environmental conditions.

COMPATIBILITY

TILL-IT ZINC 6% is compatible with most liquid and/or suspension fertilizers when used at standard field rates. TILL-IT ZINC 6% is also compatible with herbicides and most agricultural products that may be utilized in combination with liquid fertilizers. Always jar test new combinations for compatibility prior to field mixing.

Conditions of Sale and Limitation of Warranty and Liability:

NOTICE: Read the entire Directions for Use and Conditions of Sale and Limitation of Warranty and Liability before buying or using the product. If the terms are not acceptable, return the product at once, unopened, and the purchase price will be refunded.

The Directions for Use of the product should be followed carefully. It is impossible to eliminate all risks inherently associated with the use of this product. Crop injury, ineffectiveness, or other unintended consequences may result because of many different factors including, without limitation, manner of use or application, weather, combination with other products, or crop conditions. All such risks shall be assumed by Buyer and User, and Buyer and User agree to hold Manufacturer and Seller harmless from any claims relating to such factors.

Seller warrants that this product conforms to the chemical description on the label. EXCEPT FOR THIS WARRANTY, THE PRODUCT IS FURNISHED "AS-IS," AND NEITHER SELLER NOR MANUFACTURER MAKES ANY OTHER WARRANTIES, EXPRESS OR IMPLIED, WITH RESPECT TO THE SELECTION, PURCHASE OR USE OF THIS PRODUCT; SELLER AND MANUFACTURER SPECIFICALLY DISCLAIM ANY WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. Buyer and User accept all risks arising from any use of this product, including without limitation uses contrary to label instructions, under abnormal conditions, or under conditions not reasonably foreseeable to (or beyond the control of) Seller or Manufacturer.

To the extent permitted by law, neither Manufacturer nor Seller shall be liable for any incidental, consequential or special damages resulting from the use or handling of this product. THE EXCLUSIVE REMEDY OF THE BUYER OR USER, AND THE EXCLUSIVE LIABILITY OF MANUFACTURER AND SELLER, FOR ANY AND ALL CLAIMS, LOSSES, INJURIES OR DAMAGES (INCLUDING CLAIMS BASED ON BREACH OF WARRANTY, CONTRACT, NEGLIGENCE, TORT, STRICT LIABILITY OR OTHERWISE) RESULTING FROM THE USE OR HANDLING OF THIS PRODUCT, SHALL BE THE RETURN OF THE PURCHASE PRICE OF THIS PRODUCT, OR, AT THE ELECTION OF MANUFACTURER OR SELLER, THE REPLACEMENT OF THE PRODUCT.

These Conditions of Sale and Limitation of Warranty and Liability shall be interpreted in accordance with the laws of the State of California, excluding its conflicts of laws rules, and may not be amended by any oral or written agreement.

FIRST AID

In all cases, call a poison control center or doctor for further treatment advice.

IF SWALLOWED, call a poison control center or doctor immediately. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to by a poison control center or doctor. Do not give anything to an unconscious person. **IF ON SKIN**, take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. **IF INHALED**, move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration. **IF IN EYES**, hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing.

For chemical spills, leaks, fire or exposure, call CHEMTREC: (800) 424-9300.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage, disposal or cleaning of equipment. Store in a safe manner. Store in original container only and keep tightly sealed when not in use. Dispose of unused product and empty containers in accordance with federal, state and local regulations.

GENERAL INFORMATION

TILL-IT® ZINC 6% chelated micronutrient is in a form readily available to plants. It is recommended for use as an additive in liquid fertilizers.

TILL-IT products are made specifically for use as soil-applied fertilizers. TILL-IT products should be used as part of a comprehensive Total Nutrition System® for optimizing plant growth, development, yield and quality.

DIRECTIONS FOR USE

Rates of application depend upon the severity of the deficiency, climate, soil condition, and method of application. Consult your WILBUR-ELLIS representative for advice on selecting treatments from this label to best fit local conditions.

SOIL APPLICATIONS: TILL-IT ZINC 6% can be applied alone or in combination with liquid fertilizers for preplant or side-dress applications. For most effective treatment of row crops, make soil applications in a band prior to planting or as a side-dress shortly after planting.

TILL-IT ZINC 6% is most effective when placed in the root zone prior to planting or moved into the soil by irrigation, tillage, or rainfall. It is important that the zinc deficiency be treated before visual symptoms appear to ensure proper yields.

FIELD CROPS (including but not limited to corn, beans, sorghum and cotton): Soil Applications: Apply 1-3 gallons of TILL-IT ZINC 6% per acre. Rate will depend on extent of the zinc deficiency and soil conditions.
