

PRODUCT INFORMATION BULLETIN

**FIFRA Section 2(ee) Recommendation
Expiration Date: April 4, 2020**

**For distribution and use within the states of
Arkansas, Louisiana, Missouri, Mississippi and Tennessee only**

EPA Reg. No. 100-1324-5905

Lower Rates for Control of Rice Diseases (Except Leaf Blast and False Smut) On Rice (Including Wild Rice)

This recommendation is made under authority of FIFRA Section 2(ee) and recommends the use of Avaris 2XS Fungicide at a reduced rate on rice varieties and hybrids with at least moderate resistance to sheath blight.

DIRECTIONS FOR USE

- **It is a violation of Federal law to use this product in a manner inconsistent with its labeling.**
- **The user must refer to the federally approved labels for the above noted product and read and follow all directions for use, restrictions, and precautions.**
- **The user should have this recommendation in its possession at the time of use.**
- **This recommendation for use of this product is permitted under Section 2(ee) of FIFRA and has not been submitted to or been approved by EPA.**

Apply 14 fl. oz. of Avaris 2XS from late boot to boot split for control of diseases (except leaf blast and false smut) on rice (including wild rice). This recommendation applies only to varieties and hybrids with at least moderate resistance to sheath blight. When applying prior to late boot or after boot split growth stages, use full rates listed on the Section 3 federal label.
