## **CONCENTRATED DEFOAMER**

## DEFOAMER FORMULATION DESIGNED FOR USE WITH ORGANOSILICONE SURFACTANTS

### **ACTIVE INGREDIENTS:**

Proprietary Dimethylpolysiloxane Mixture	30.00%
Constituents ineffective as adjuvants	70.00%
Total	100.00%
400 U 400 OFF 400	

All ingredients are exempt from tolerance under 40 CFR 180.

# DANGER

Causes skin irritation. Causes serious eye damage. Read label before use. Keep container tightly closed. Keep only in original container. Avoid breathing dust/ fume/ gas/ mist/ vapors/ spray. Wash hands thoroughly after handling. Do not eat, drink or smoke when using this product. Wear protective gloves/ protective clothing/ eye protection/ face protection.

**NET CONTENTS: 12 x 1 U.S. Quart (12 x 0.95 L)**

### KEEP OUT OF REACH OF CHILDREN DANGER

Causes skin irritation. Causes serious eye damage. Read label before use. Keep container tightly closed. Keep only in original container. Avoid breathing dust/ fume/ gas/ mist/ vapors/ spray. Wash hands thoroughly after handling. Do not eat, drink or smoke when using this product. Wear protective gloves/ protective clothing/ eye protection/ face protection.

### **FIRST AID**

Call a poison control center or doctor immediately for treatment advice. Have the product container with you when calling a poison control center or doctor, or going for treatment.

**IF IN EYES:** Rinse cautiously with water for several minutes. Remove contact lenses if present and easy to do then continue rinsing. If eye irritation persists: Get medical advice or attention.

**IF ON SKIN OR CLOTHING:** Take off contaminated clothing and wash it before reuse. Wash with plenty of soap and water for several minutes. If skin irritation occurs: Get medical advice or attention.

**IF SWALLOWED:** Unless advised otherwise by a poison control center or doctor, have person rinse mouth with water, if able. Do not give anything by mouth to an unconscious person.

**IF INHALED:** Remove victim to fresh air and keep at rest in a position comfortable for breathing. If person is not breathing, call 911 or an ambulance, and then give artificial respiration, preferably mouth to mouth if possible.

### **GENERAL INFORMATION**

**CONCENTRATED DEFOAMER PLUS** is a defoamer/antifoam that is specifically designed to control certain types of foam. It is intended for use with organosiliconecontaining defoamers.

**CONCENTRATED DEFOAMER PLUS** can also be utilized in repressing other types of difficult-to-control foam.

#### **USE RATES**

1 to 2 ounces of **CONCENTRATED DEFOAMER PLUS** per 100 gallons of spray solution.

### <u>DIRECTIONS FOR USE</u> SHAKE WELL BEFORE USING.

Add ingredients to the tank in the order specified on the pesticide label. CONCENTRATED DEFOAMER PLUS should be added after the initial water but before pesticides or other adjuvants are added. This controls foam as it forms. More CONCENTRATED DEFOAMER PLUS can be added later to increase foam control.

If excess foaming is occurring, add **CONCENTRATED DEFOAMER PLUS** directly to the foam. Pour **CONCENTRATED DEFOAMER PLUS** over as much surface area as possible for the most effective defoaming. Do not add too much defoamer, as this will affect the performance of the organosilicone adjuvant.

**CONCENTRATED DEFOAMER PLUS** mixes well with most pesticides, adjuvants and other tank mix chemicals.

### **STORAGE and DISPOSAL**

Store in a cool well-ventilated place. Keep in original container tightly closed. Do not reuse empty container. Do not store with food, feed, or other material to be used or consumed by humans or animals. Do not contaminate water supplies. For optimal storage, store between 40° and 90° F.

**DISPOSAL:** Do not contaminate water, food or feed by storage or disposal. Dispose of contents in container to an approved waste disposal facility in accordance with all federal, state and local regulations. Triple rinse (or equivalent) adding rinse water to application tank. Offer container for recycling or dispose of in a sanitary landfill or by other procedures approved by local regulations. The Agricultural Container Recycling Council (ACRC) operates the national recycling program. To contact your state and local ACRC recycler visit the ACRC web page at www.acrecycle.org.

WARRANTY: Seller warrants that this product conforms to its chemical description and is reasonably fit for the purpose stated on the label when used in accordance with directions under normal conditions of use, but neither this warranty nor any other warranty of merchantability or fitness for a particular purpose, expressed or implied, extends to the use of this product contrary to label instructions, or under abnormal conditions, or under conditions not reasonably foreseeable to the seller, and buyer assumes the risk or any such use.
