

# SoilCote™

## DEPOSITION AID

### PRINCIPAL FUNCTIONING AGENTS:

Pinene (terpene) Polymers, petrolatum, alkyl amine ethoxylate ..... 100%

### GENERAL INFORMATION

**SoilCote** is a deposition aid with non-ionic properties designed to improve the contact, wetting and adhesion of pesticides on the plant surface. **SoilCote** forms a soft film, which polymerizes protecting spray, deposits from rainfall erosion, volatility and ultraviolet (UV) degradation. Under most conditions, apply sprays containing **SoilCote** at least one half hour, during daylight, before an anticipated rain. Sunlight, direct or indirect, for this time period is needed for the film to set.

### DIRECTIONS FOR USE

**SoilCote** may be used with all products registered for: Agricultural, Forestry, Ornamental, Industrial Vegetation and Non-Cropland uses. **SoilCote** may be applied by ground or aerial spray equipment in concentrate or dilute sprays.

**GROUND:** Dosage per 100 gallons of spray solution (dilute).

Fungicides, Insecticides, Plant Growth Regulators..... 4 oz. to 1 pt.

Herbicides..... 4 oz. to 1 pt.

**AERIAL APPLICATIONS OR CONCENTRATE GROUND SPRAYS UNDER 50 GALLONS OF WATER PER ACRE:** Use 4 to 16 oz. per acre.

**SOIL APPLIED PESTICIDES:** To stabilize, improve performance and retard photo-degradation apply **SoilCote** at 1 to 2 pints per acre.

### MIXING

Fill spray tank one-half full with water and begin agitation. Add pesticides as directed by label and continue filling. Add **SoilCote** last and continue agitation. Use this product in accordance with good agronomic practices, which include utilizing proven spray equipment set for proper coverage. Do not make applications when temperatures are too hot. Applications should be made at temperature levels and when other environmental conditions in your area are such that your experience indicates the application will be compatible and will accomplish the desired result.

**PHYTOTOXICITY PRECAUTION:** Under some environmental conditions, some pesticides or pesticide combinations may cause phytotoxicity on growing plants. Adjuvant products such as this product may increase the chance or the intensity of phytotoxicity. Use this product in a manner consistent with individual pesticide product recommendations.

**STORAGE AND DISPOSAL:** Keep in original container. Store above 32°F. Triple rinse (or equivalent) during mixing and loading. Recycling decontaminated containers is the best option of container disposal. The Agricultural Container Recycling Council (ACRC) operates the national recycling program. To contact your state and local ACRC recycler visit the ACRC web page at [www.acrecycle.org](http://www.acrecycle.org). Decontaminated containers may also be disposed of in a sanitary landfill.

Use this product in accordance with good agronomic practices, which include utilizing proven spray equipment set for proper coverage. Do not make applications when temperatures are too hot, as crop damage may occur. Applications should be made at temperature levels and when other environmental conditions in your area are such that your experience indicates the application will be compatible and will accomplish the desired result.

**Notice of Warranty: Harvey Fertilizer and Gas Company** warrants that this product conforms to the chemical description on the label thereof and is reasonably fit for purposes stated on such label only when used in accordance with directions under normal use conditions. It is impossible to eliminate all risks inherently associated with the use of this product. Crop injury, ineffectiveness, or other unintended consequences may result because of such factors as weather conditions, presence of other materials, or the manner of use or application, all of which are beyond the control of **Harvey Fertilizer and Gas Company**. In no case shall **Harvey Fertilizer and Gas Company** be liable for consequential, special or indirect damages resulting from the use or handling of this product. All such risks shall be assumed by the buyer. **Harvey Fertilizer and Gas Company** MAKES NO WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE NOR ANY OTHER EXPRESS OR IMPLIED WARRANTY EXCEPT AS STATED ABOVE.

**KEEP OUT OF REACH OF CHILDREN**
