

## DESCRIPTION

**PhotoGreen Soil** is a soil-applied liquid nutrient product that is designed to provide Iron (Fe) & other nutrients that may be deficient in the soil or plant.

## DIRECTIONS FOR USE

Tank mix compatibility is impacted by water quality which may vary by location. DO NOT tank mix with Calcium fertilizers unless agitation is available. When mixing **PhotoGreen Soil** with other materials, always establish compatibility using the standard quart jar method prior to tank mixing.

**PhotoGreen Soil** is compatible with **Zicron Soil**, **Copron Soil** and all other **FBSciences** products. DO NOT mix **PhotoGreen Soil** with other products containing phosphate in concentrated form without first adding water.

Best results will be obtained when applications are watered in. Inject with a drip or sprinkler irrigation system. May be sprayed under the drip line of the plants or knifed in prior to a sprinkler irrigation or surface irrigation. Apply enough water to move the product into the area of active rooting, but not excessive amounts that may leach the product below the root system. Use the higher label rates with surface and flood irrigation.

## RATES & TIMING

<b>Orchards &amp; Vineyards</b>	<b>1-4 QUARTS PER ACRE</b>	Apply in the early spring and repeat at 2-4 quarts/acre in the fall after harvest.
<b>Field, Row, Vegetable &amp; Fruit Crops</b>		Apply any time during growing season; repeat as needed.

## WARRANTY & CONDITIONS OF SALE

Manufacturer warrants that this material conforms to the chemical description hereon and is reasonably fit for use as directed. No other warranty is made, either expressed or implied. **BEFORE OPENING**, see other conditions and limitations that apply which are available at: <http://www.FBSciences.com/ProductConditionsOfSale/>.

Information regarding the contents and levels of metals in this product is available on the Internet at: <http://www.aapfco.org/metals.htm>

## GUARANTEED ANALYSIS

Sulfur (S) .....	3.00%
Iron (Fe) .....	5.00%
Manganese (Mn) .....	1.00%

Derived from: ferrous sulfate and manganese sulfate.

**READ ENTIRE LABEL BEFORE USE**  
**SHAKE WELL BEFORE USE**  
**DO NOT STORE BELOW 40°F (5°C)**  
**KEEP OUT OF REACH OF CHILDREN**  
**WARNING**

## HAZARD STATEMENTS

Contact with eyes or skin may cause irritation. May be harmful if swallowed. May cause damage to organs through prolonged & repeated exposures.

## PRECAUTIONARY STATEMENTS

Wear protective gloves and protective eyewear. Wash skin thoroughly after handling. Clothing should be thoroughly washed before re-use.

**IF IN EYES:** Rinse cautiously with water for several minutes. Remove contact lenses if present and easy to do. Continue rinsing. If eye irritation persists, get medical attention.

**IF SWALLOWED:** Do not induce vomiting. Clean mouth with water. Call a Poison Control Center or doctor if you feel unwell.

**IF ON SKIN:** Remove immediately all contaminated clothing. Rinse skin with water/shower. If skin irritation occurs get medical attention.

**IF INHALED:** Remove person to fresh air & obtain medical attention immediately if breathing becomes difficult.
