

WEATHER GARD ELITE

Drift Control Agent • Deposition Aid • Pentrant •
Water Conditioning Agent • Antifoaming and Defoaming Agent

Principal Functioning Agents:

Lecithin, methyl soyate, and alkyl phenol ethoxylate phosphate ester.....100%

TOTAL.....100%

WA registration number 34704-25002

Designed for use with glyphosate-containing products used on ROUNDUP READY crops

SHAKE WELL BEFORE USE

KEEP OUT OF REACH OF CHILDREN

WARNING

Hazard and Precautionary Statements: Causes skin and eye irritation. Wash thoroughly after handling. Read label before use. If medical advice is needed, have product container or label at hand. **Environmental Precautions:** Prevent further leakage or spillage if safe to do so. Do not contaminate water. Do not allow to enter drains, sewers, or watercourses.

Personal Protective Equipment: Wear protective gloves and eye protection.

FIRST AID: IF ON SKIN: Wash with plenty of water. If skin irritation occurs: Get medical advice or attention. Take off contaminated clothing and wash it before reuse. **IF IN EYES:** Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Immediately call a POISON CENTER or doctor. **If Swallowed:** Rinse mouth. Do not induce vomiting unless instructed by a medical professional. Seek medical attention if symptoms occur or you feel unwell. **If Inhaled:** Move person to fresh air and keep comfortable for breathing. Seek medical attention if symptoms occur or you feel unwell.

Have the product container or label with you when calling a poison control center or doctor, or going for treatment.

FOR A MEDICAL EMERGENCY OR HELP WITH ANY SPILL, LEAK, FIRE OR EXPOSURE INVOLVING THIS MATERIAL, CALL DAY OR NIGHT CHEMTREC 1-800-424-9300.

GENERAL INFORMATION: WEATHER GARD ELITE is a multi-component shear tolerant drift control agent containing suspended antifoam-defoamer and water conditioner. WEATHER GARD ELITE may be used as a drift control adjuvant to enhance deposition, retention, and control spray droplet size. WEATHER GARD ELITE improves deposition by increasing initial adhesion of droplets to the surface of hard to wet plants (reducing bounce and run-off). WEATHER GARD ELITE will not increase viscosity of spray solution, reduce the flow rate or affect the angle of the spray nozzle. WEATHER GARD ELITE retards drift by producing a more uniform droplet size and a more uniform spray pattern. The degree of drift hazard varies with the type of pesticide and application conditions. Common sense and sound application technology must be followed when spraying pesticides. WEATHER GARD ELITE will retard but not eliminate drift. WEATHER GARD ELITE is compatible with most pesticide formulations. Application may be by ground or air.

DIRECTIONS FOR USE: WEATHER GARD ELITE may be used on and has demonstrated excellent plant safety on a wide variety of crops. WEATHER GARD ELITE may be used in a variety of non-crop sites including but not limited to forestry, industrial, grasslands, rights-of-way, turf (golf courses, parks, and sod farms), ornamentals (container, field or greenhouse) and other turf, ornamental and landscaping sites.

NOT FOR AQUATIC USE IN WASHINGTON.

GENERAL USE: The antifoamer-defoamer is suspended and may separate during storage but is easily re-suspended by shaking or re-circulating. WEATHER GARD ELITE should be added to the spray tank before adding pesticides to prevent foaming and reduce the effect of hard water ions. For tank mix compatibility concerns, conduct a jar test of the proposed mixture to ensure compatibility of all components. Mix components in the same ratio as the proposed tank mix.

GENERAL USE RATE: 1 to 2 quarts per 100 gallons of spray mixture.

Suggested Use Rate: 2 quarts per 100 gallons of spray mixture.
(1.6 to 3.2 fluid ounces per 5 gallons of spray mixture.)

STORAGE AND DISPOSAL

STORAGE: Store in original container only, protected from direct sunlight in a dry, cool and well-ventilated area, away from incompatible materials and food and drink. Keep container tightly closed and sealed until ready for use. Containers that have been opened must be carefully resealed and kept upright to prevent leakage. Do not store in unlabeled containers. Use appropriate containment to avoid environmental contamination. Do not reuse container. Product will become thicker at cold temperatures but effectiveness of the product will not be affected. Warm product before use.

DISPOSAL: Do not contaminate water, food or feed by storage or disposal. Dispose of contents/container on-site or at an approved waste disposal facility. Triple rinse (or equivalent) adding rinse water to spray tank. Offer container for recycling or dispose of container in sanitary landfill, or by other procedures approved by appropriate authorities. Recycling decontaminated containers is the best option of container disposal. The Agricultural Container Recycling Council (ACRC) operates the national recycling program. To contact your state and local ACRC recycler visit the ACRC web page at www.agrecycling.org.

CONDITIONS OF SALE AND LIMITATION OF WARRANTY AND LIABILITY

BEFORE BUYING OR USING THIS PRODUCT, read the Directions for Use and the following Conditions of Sale and Limitation of Warranty and Liability. By buying or using this product, the buyer or user accepts the following Conditions of Sale and Limitation of Warranty and Liability, which no employee or agent of LOVELAND PRODUCTS, INC. or the seller is authorized to vary. LOVELAND PRODUCTS, INC. warrants that this product conforms to the chemical description on the label and is reasonably fit for the purposes stated in the Directions for Use, when the product is used in accordance with such Directions for Use under normal conditions of use. LOVELAND PRODUCTS, INC. MAKES NO OTHER WARRANTY, EXPRESS OR IMPLIED, INCLUDING BUT NOT LIMITED TO MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. THE BUYER'S OR USER'S EXCLUSIVE REMEDY FOR ANY INJURY, LOSS, OR DAMAGE RESULTING FROM THE HANDLING OR USE OF THIS PRODUCT SHALL BE LIMITED TO ONE OF THE FOLLOWING, AT THE ELECTION OF LOVELAND PRODUCTS, INC. OR THE SELLER: DIRECT DAMAGES NOT EXCEEDING THE PURCHASE PRICE OF THE PRODUCT OR REPLACEMENT OF THE PRODUCT. LOVELAND PRODUCTS, INC. AND THE SELLER SHALL NOT BE LIABLE TO THE BUYER OR USER OF THIS PRODUCT FOR ANY CONSEQUENTIAL, SPECIAL, OR INDIRECT DAMAGES, OR DAMAGES IN THE NATURE OF A PENALTY.
