If skin irritation occurs, get medical advice / attention. **IF IN EYES** Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing.

DISPOSAL Dispose of contents / container in accordance with local / regional / national regulations.

GENERAL INFORMATION

SulFeGro G contains soluble micronutrients which are immediately available to the plant and which assist in the formation of chlorophyll, photosynthesis and growth in plants. It is a valuable source of iron, zinc and sulfur that provide essential micronutrients, especially to plants grown in alkaline soils. Caution should be taken when applying to Iron and Zinc deficient acidic soils. When applying to acidic soils use the lower rates. SulFeGro G supplies acidity, which produces a microzone with a lower pH (higher acidity) which helps mobilize iron and other acid soluble nutrients.

SulFeGro G contains concentrated iron, which will stain masonry and clothing. Rust stained clothing should be washed separately from other clothing. If spilled on masonry, wash with water to reduce staining. Contact a chemical consultant for specific instructions to remove stains.

DIRECTIONS FOR USE

SulFeGro G is compatible with most granular fertilizer materials. Do not combine with Ammonium Nitrate. If blending with urea, spread within one hour of mixing.

SOIL APPLICATION: Apply 50 to 150 lbs. per acre. Rates of application will vary depending upon the severity of the deficiency, climate, and soil type. Consult your crop advisor, agronomist, or university crop extension

publication for advice in selecting the rate to fit local conditions. When applied to existing crops, such as alfalfa or grass, irrigate immediately for best results.

INDIVIDUAL TREE APPLICATIONS: Apply 1 tablespoon per hole. Place in holes 6 to 8 inches deep and 1 foot apart around the drip line of the tree. Do not exceed more than 1/2 lb. per tree for young trees and 3 lbs. per tree for older, mature trees.

NOTICE: Before using this product, read the entire Conditions of Sale and Warranty and Directions for Use instructions. If the Conditions of Sale and Warranty are not acceptable, return the product unopened within thirty days of purchase to the place of purchase.

Warning: This product contains a chemical known to the State of California to cause cancer, birth defects or other reproductive harm. Proposition 65, the Safe Drinking Water and Toxic Enforcement Act of 1986, requires notification of potential exposure to substances identified by the State of California as causing cancer, birth defects or other reproductive harm.
