

BFMS
BIOLOGICAL FARM MANAGEMENT SYSTEM

Cyto-Green

SOLUBLE SEAWEED EXTRACT

1-0-3

RECOMMENDATIONS:

Use Cyto-Green on food crops, ornamentals and turf. Apply in foliar sprays or, for soil application, apply to soil through sprayer or irrigation water in conjunction with a balanced crop nutrition program, including BioGenesis I or Spectrum microbial soil conditioners, and BFMS Brand Soluble Humate Powder.

APPLICATIONS AND DIRECTIONS:

FOLIAR:

Mix 1/4 pound Cyto-Green per gallon of water. Add to sprayer with enough water to cover at a rate of one (1) gallon per surface acre.

SOIL APPLICATION WITH BFMS BRAND SOLUBLE HUMATE POWDER:

Mix 1/2 pound Cyto-Green per gallon of water. In a separate container, mix 1/4 pound of BFMS Brand Soluble Humate Powder per one gallon of water. Combine the reconstituted Cyto-Green and the reconstituted humate powder, add sufficient water to cover at a rate of two (2) gallons per acre.

COMPATIBILITIES:

BFMS Cyto-Green can be used with most insecticides, fungicides and fertilizers. When interaction of chemicals is unknown, a jar compatibility test is recommended.

CAUTION:

Keep out of reach of children and pets.
Do not swallow.
Store below 120 degrees F.
Keep out of direct sunlight.

GUARANTEED ANALYSIS:

Total Nitrogen (N).....1%
1.0% Water Soluble Organic Nitrogen
Soluble Potash (K₂O).....3%
Derived from: Ascophyllum nodosum seaweed

STATEMENT OF WARRANTY:

The manufacturer warrants that the contents and net weight are stated within lawful limits and that the product is reasonably fit for the purposes stated on the label when used in accordance with directions and under normal conditions of use. Ineffectiveness or other consequences may result due to weather conditions, mixture with other products or the manner of use or applications, all of which are beyond the control of the manufacturer. The manufacturer makes no other warranties, express or implied, and shall not be liable for direct, consequential or incidental damages. No modification of this warranty is valid unless made expressly in writing and signed by the manufacturer. Peppzyme is a sterile (Contains no live organisms), product, has low toxicity to humans and is safe to handle when used as directed.

Net Weight : 11,340 grams

Exp. Date: 03/2017
