

8% AM COPPER

6-0-0

GUARANTEED ANALYSIS

Total Nitrogen (N)	6.00%
6.00% Ammoniacal Nitrogen	
Sulfur (S)	4.00%
Copper (Cu)	8.00%

Derived From: Ammonium Hydroxide and Copper Sulfate. Complexed with Citric Acid

KEEP OUT OF REACH OF CHILDREN

WARNING

Harmful if swallowed. Avoid contact with skin, eyes or clothing. Avoid breathing spray mist.

F1548
FOR AGRICULTURAL OR COMMERCIAL USE ONLY

GENERAL INFORMATION

8% AM COPPER was developed to be used by itself, or in combination with neutral fertilizers, both at planting time, and during the growing season, for the purpose of providing the nutrient copper to crops. Extreme care should be exercised regarding the timing, rate, method of application, and crop sensitivity. 8% AM COPPER may be applied with crop protection chemicals i.e. herbicides, insecticides, and fungicides. It is important to consider climatic conditions prior to application, and anticipated accumulative amount applied for the season. Always consult your local crop advisor prior to application.

DIRECTIONS FOR USE: Apply as needed based on soil tests or according to recommendations in your nutrient management plan.

GENERAL APPLICATION RATES

VEGETABLE, FORAGE AND ROW CROPS:

8% AM COPPER may be applied with starter or pop-up fertilizer at the rate of 1 to 4 pints per acre. 8% AM COPPER may also be applied with 9% ZINC or MULTI-CHE ZINC, manganese and iron products. Rates will depend on soil type, anticipated nutrient shortage and placement relative to seed and crop sensitivity.

Application - Air - Apply in 5 to 10 gallons of water per acre. **Ground -** Apply in 20 to 40 gallons of water per acre.

ALL CROPS INCLUDING TREE AND VINE:

8% AM COPPER may be applied to soil by broadcasting, shank, or through irrigation water. Seek the advice of your local advisor for rate of application.

SPRINKLER IRRIGATION APPLICATION:

Apply to all field and forage crops at rates ranging from 1 to 8 pints per acre, being careful not to apply excessive amounts where multiple applications are planned for the cropping season.

FOLIAR APPLICATION:

Apply 8% AM COPPER by ground or air on all crops at the rate of 1 to 4 pints per acre in sufficient water to achieve thorough coverage. To insure uniform application use a quality wetting agent.

Phytotoxicity may occur when using copper products, including various tank mix combinations. For fertilizer tank mix combinations, use only neutral fertilizers. Always consult your local crop advisor as to any precautionary measures prior to application.

FIRST AID

If in eyes: Hold eye open and rinse slowly and gently with water for 15 to 20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice.

If swallowed: Call a poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by the poison control center or doctor. Do not give anything by mouth to an unconscious person.

If on skin or clothing: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15 to 20 minutes. Call a poison control center or doctor for treatment advice.

If inhaled: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control center or doctor for further treatment advice.

FOR A MEDICAL EMERGENCY INVOLVING THIS PRODUCT CALL: 1-866-944-8565.

STORAGE and DISPOSAL

STORAGE: STORE ABOVE 52° F. Shake well before using. Store in original containers only. Keep containers tightly closed when not in use. Store in a cool, dry well-ventilated area, preferably in a locked storage area away from children, feed and food products, and seed. Store at ambient temperatures. Do not contaminate water, food, or feed by storage or disposal. **DISPOSAL:** Do not reuse container. Plastic: Triple rinse (or equivalent), adding rinse water to spray tank, then offer for recycling at an ACRC site (go to <http://www.acrcycle.org/> for locations) or by reconditioning, or puncture and dispose of in a sanitary landfill or by other procedures approved by state and local authorities. Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility. Do not contaminate water, food, or feed by storage or disposal.

HANDLING: Avoid breathing fertilizer mists. Avoid prolonged or repeated skin contact. Avoid eye contact. Wash hands thoroughly after handling this product. **For help with any spill, leak, fire or exposure involving this material, call day or night CHEMTREC 1-800-424-9300.**

CONDITIONS OF SALE AND LIMITATION OF WARRANTY AND LIABILITY

BEFORE BUYING OR USING THIS PRODUCT, read the Directions for Use and the following Conditions of Sale and Limitation of Warranty and Liability. By buying or using this product, the buyer or user accepts the following Conditions of Sale and Limitation of Warranty and Liability, which no employee or agent of LOVELAND PRODUCTS, INC. or the seller is authorized to vary. LOVELAND PRODUCTS, INC. warrants that this product conforms to the chemical description on the label and is reasonably fit for the purposes stated in the Directions for Use, when the product is used in accordance with such Directions for Use under normal conditions of use. LOVELAND PRODUCTS, INC. MAKES NO OTHER WARRANTY, EXPRESS OR IMPLIED, INCLUDING BUT NOT LIMITED TO MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. THE BUYER'S OR USER'S EXCLUSIVE REMEDY FOR ANY INJURY, LOSS, OR DAMAGE RESULTING FROM THE HANDLING OR USE OF THIS PRODUCT SHALL BE LIMITED TO ONE OF THE FOLLOWING, AT THE ELECTION OF LOVELAND PRODUCTS, INC. OR THE SELLER: DIRECT DAMAGES NOT EXCEEDING THE PURCHASE PRICE OF THE PRODUCT OR REPLACEMENT OF THE PRODUCT. LOVELAND PRODUCTS, INC. AND THE SELLER SHALL NOT BE LIABLE TO THE BUYER OR USER OF THIS PRODUCT FOR ANY CONSEQUENTIAL, SPECIAL, OR INDIRECT DAMAGES, OR DAMAGES IN THE NATURE OF A PENALTY.

Tests have not been carried out under all possible use conditions and Seller cannot and does not represent or warrant that the goods are compatible with all other chemicals or under all use conditions.

California Proposition 65: WARNING: This product contains chemicals known to the State of California to cause cancer or birth defects or other reproductive harm.
