DIRECTIONS FOR USE

It is a violation of Federal law to use this product in any manner inconsistent with its labeling. This labeling must be in the possession of the user at the time of herbicide application.

Refer to the DuPont™ FeXapan™ herbicide Plus VaporGrip® Technology product label for complete directions for use and all applicable restrictions and precautions.

RESTRICTIONS/LIMITATIONS

In order to apply DuPont™ FeXapan™ herbicide Plus VaporGrip® Technology in Indiana for any use, the following restriction applies.

Training - Prior to applying this product for the first time in INDIANA, applicators responsible for the application of this product must complete dicamba-specific training approved by the Office of Indiana State Chemist (OISC) and delivered at a time and place pre-approved by OISC. This requirement also applies to all dicamba applicators including certified Category 1 commercial applicators, registered technicians working under their direct supervision, certified private applicators, and noncertified applicators working under the direct continuous onsite supervision of a certified private applicator.
