#### GENERAL INFORMATION

Sequestar® Iron 6% chelate is a water-soluble iron that is readily available to plants. It can be soil applied to prevent or correct iron deficiency (chlorosis).

Sequestar® Iron 6% is formulated with EDDHA chelate to extend iron availability to plants, especially those grown in calcareous, alkaline or acid soils. It may be dissolved in water or spread as a granule. For best results, Sequestar® Iron 6% should either be incorporated into the root zone at planting, injected into the root zone, or surface applied and moved into the root zone by tillage, drenching, irrigation or rainfall.

#### DIRECTIONS FOR USE — GENERAL

Apply Sequestar® Iron 6% annually in the spring and when iron chlorosis symptoms appear.

**Soil Application** – For trees and shrubs uniformly broadcast or mix with water and apply as a drench to the soil with the drip line beneath the plant and shallowly incorporate or irrigate into the soil.

#### DIRECTIONS FOR USE — SPECIFIC

- 1) Trees (including fruit, citrus and nut trees) – Apply ½ - 2 oz. for each inch of trunk diameter measured at chest height.
- 2) Shrubs (including berries, grapes, roses, etc.) – Apply 2 oz. for small shrubs and 2 oz. per inch of trunk diameter for large shrubs.
- 3) Ornamental Bedding Plants, Vegetables, Groundcovers – Apply 2 oz. per 100 square feet or band 2-4 oz. per 100 feet of row. Water in immediately.
- 4) Potted Plants – Apply ¼ teaspoon per 8 inch pot and ½ teaspoon per 12 inch pot. Apply to the soil and water in.
- 5) Hydroponics System – Apply at 4 oz. per 100 gallons of water. For best results, apply monthly.

**NOTE:** If applied to certain surfaces, staining may occur. Wash or wipe off before it has a chance to dry.

**PRECAUTIONARY STATEMENTS:** Based on currently available data, this product is not classified as a hazardous substance. However, observe good industrial hygiene practices. Wash hands after handling.  
**Storage and Disposal:** Do not contaminate water, food or feed by storage or disposal. Keep out of reach of children. Store away from incompatible materials. Dispose of contents/container in accordance with local authority requirements.
