Closer™

EPA Reg. No. 62719-623

Special 2(ee) Recommendation†

(For Distribution and Use in the States of Connecticut, Delaware, Massachusetts, Maryland, Maine, New Hampshire, Rhode Island, South Carolina, Vermont and West Virginia)

For Suppression of Brown Marmorated Stink Bug in Pome Fruits (Crop Group 11) and Stone Fruits (Crop Group 12)

Refer to product label for Closer for general use precautions, mixing directions, application directions, and restrictions.

ATTENTION

†This recommendation is made as permitted under FIFRA Section 2(ee) and has not been submitted to or approved by EPA.

- It is a violation of federal law to use this product in a manner inconsistent with its labeling.
- Read the label affixed to the container for Closer insecticide before applying. Carefully follow all precautionary statements and applicable use directions except as specified below.
- Use of Closer according to this Section 2(ee) recommendation is subject to all use precautions and limitations imposed by the label affixed to the container for Closer insecticide.

Directions for Use

| Pests | Closer SC (fl oz/acre) |
|----------------------------|---------------------------|
| Brown Marmorated Stink Bug | 5.75 (0.09 lb ai/acre) |

Apply 5.75 fl oz of Closer SC per acre to provide suppression of brown marmorated stink bug in pome fruits and stone fruits. Consult your Dow AgroSciences representative, extension service specialist, certified crop advisor or your state agricultural experiment station for any additional local use recommendations for your area.
