

METHSOYOIL™

MODIFIED VEGETABLE OIL AND SURFACTANT BLEND PRINCIPAL FUNCTIONING AGENTS:

Methylated soybean oil; D-Glucopyranose, oligomeric,
decyl octyl glycosides..... 100%
Total..... 100%

*ingredients are exempt from the requirements of 40CFR 180.

**KEEP OUT OF
REACH OF
CHILDREN**

GENERAL INFORMATION

METHSOYOIL is a uniquely formulated spray adjuvant developed to enhance the performance of certain postemergence herbicides.

METHSOYOIL improves leaf coverage and absorption, thereby reducing the negative effects of adverse environmental conditions.

DIRECTIONS FOR USE

Add **METHSOYOIL** to the spray mixture at 1 ½ to 2 pints per acre. Use the higher rate on hard to control weeds or weeds under stress. Include fertilizer (UAN) or ammonium sulfate at rates specified on the chemical label.

Aerial Application: When applying aerially, follow chemical label directions including a minimum water volume per acre. Do not substitute **METHSOYOIL** for water required by the chemical label. Not for use on aquatic sites.

MIXING INSTRUCTIONS

Carefully read and follow directions on the label of the chemical with which **METHSOYOIL** is to be used. For local recommendations, consult a competent agricultural authority or mix in this order:

1. Dry flowable chemicals
2. Wettable powder chemicals
3. Flowable chemicals
4. Water-soluble chemicals
5. Emulsifiable concentrate chemicals
6. Add **METHSOYOIL** and continue agitation

STORAGE AND DISPOSAL

Store in cool, dry place. Store in original container. Keep container tightly closed. Do not reuse empty container. Triple rinse, then offer for recycling or for disposal in a sanitary landfill, or by other means in accordance with local, state and federal regulations.

PRECAUTIONARY STATEMENTS

Keep container tightly closed. Avoid contact with eyes, skin and breathing vapors or spray mist. Wear protective gloves. Do not eat, drink or smoke when using this product. Wash hands thoroughly after handling. Use adequate ventilation when handling. Keep away from open flame. In case of fire: Dry chemical fire extinguisher to extinguish and call CHEMTREC (800) 424-9300. First Aid: If exposed call CHEMTREC or refer to SDS First Aid section.

NOTICE

*Manufacturer warrants that **METHSOYOIL** conforms to its chemical description and will perform as stated on the label when used according to directions and under normal conditions. Neither this warranty or any other warranty of merchantability, expressed or implied, extends to the use of this product contrary to label directions. Buyer assumes all risk if **METHSOYOIL** is used in any manner or under any condition other than those specifically set forth on the label.*
