

DEFOAMER

Antifoaming Agent | Defoaming Agent

Seed Care Inc.

47543 SD Hwy 22 | Clear Lake, SD 57226
605-874-2550 | seedcareinc.com

NET CONTENTS: 1 U.S. Quart (0.95)

PRINCIPAL FUNCTIONING AGENTS

A proprietary blend of antifoaming agents, emulsifier and constituents ineffective as a spray adjuvant.

TOTAL 100%

All ingredients are exempt from tolerance under 40 CFR 180.

PROTECT FROM FREEZING

KEEP OUT OF REACH OF CHILDREN

WARNING

Keep out of reach of children. Read label before use. Keep container tightly closed. Keep only in original container. Avoid breathing mist, vapors, or spray. Wash thoroughly after handling. Do not eat, drink or smoke when using this product. Wear protective gloves/protective clothing/ eye protection/personal protective equipment as required.

FIRST AID

Have the product container with you when calling a poison control center or doctor, or going for treatment.

IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses if present and easy to do then continue rinsing for several minutes.

IF ON SKIN OR CLOTHING: Take off contaminated clothing and wash it before reuse. Wash with plenty of soap and water for several minutes.

IF SWALLOWED: Unless advised otherwise by a poison control center or doctor, have person rinse mouth with water, if able. Do not give anything by mouth to an unconscious person.

IF INHALED: If breathing is difficult, remove person to fresh air and keep at rest in a position comfortable for breathing. If person is not breathing, call 911 or an ambulance, and then give artificial respiration, preferably mouth to mouth if possible.

GENERAL INFORMATION

DEFOAMER is both an excellent defoamer that quickly dissipates even stable foam structures and an efficient antifoaming agent that prevents the further formation of tank mix foam.

Use of DEFOAMER will prevent foaming that can cause the loss of accurate pesticide rates through spillover during mix agitation and eliminate the regeneration of foam during field applications.

DIRECTIONS FOR USE

Follow the recommendations of the most restrictive active ingredient label.

Tank mixtures should only be applied within the label recommendations of every product in the tank mixture.

Use only if an antifoaming and a defoaming agent is allowed or not excluded on the label.

If the user does not have experience with the mixture being applied, perform a jar test using the order and amounts in the mixture and perform a phytotoxicity test to ensure crop safety.

Vigorous agitation, temperature variations and the characteristics of some actives may require an adjustment of the use rate.

USE RATES

Defoaming: Briefly stop agitation, and squirt or sprinkle DEFOAMER directly on surface foam that has already accumulated.

Add enough DEFOAMER to control foaming in the solution remaining in the tank.

Antifoaming: DEFOAMER should not be added to a dry tank. As the tank begins to fill, add the recommended amount of the active ingredient and then add DEFOAMER at a use rate of up to 2 ounces per 100 gallons of spray solution.

STORAGE AND DISPOSAL

Storage: Do NOT Freeze. Store in a cool well-ventilated place. Keep in original container tightly closed. Do not reuse empty container. Do not store with food, feed, or other material to be used or consumed by humans or animals. Do not contaminate water supplies. For optimal storage, store between 40° and 90° F.

Disposal: Do not contaminate water, food or feed by storage or disposal. Dispose of contents / container to an approved waste disposal facility in accordance with all federal, state and local regulations. Triple rinse (or equivalent) adding rinse water to application tank. Offer container for recycling or dispose of in a sanitary landfill or by other procedures approved by local regulations. The Agricultural Container Recycling Council (ACRC) operates the national recycling program. To contact your state and local ACRC recycler visit the ACRC web page at www.acrcycle.org. Decontaminated containers and materials must be disposed of in a manner allowed by local, state and federal laws and regulations.
