contains 12 - 21 gram
compost tea bags

SUSTANE®

Naturally...

Sustane Compost Tea Bags & Root Zone Feeder Packs:

Designed for dual application for the avid organic gardener. This permeable compost pack can be left to steep in a watering can overnight to make a Compost Tea brew; or installed in the soil or potting mix as a Root Zone Feeder Pack. For use as plant food on all flowers, vegetables, trees and shrubs.

Compost Tea: Place 1 tea bag into watering can, let steep overnight and apply to potted and inground plants the following day. Water plants and soil thoroughly. Reapply fresh tea weekly.

Pots & Hanging Baskets: Install one Compost Tea Bag per 1-gallon pot prior to planting.

Vegetable & Flower transplants: Install one Compost Tea Bag in the hole beneath the plant prior to planting transplants.

Shrubs and Young Trees: Install one Compost Tea Bag per every 12" of plant height prior to planting trees and shrubs.

Irrigation Systems: Place 1 Feeder Pack in the Y-Strainer of a standard inground irrigation system. Replace tea bag monthly.

21 grams covers 1 sq. ft.
Contains 12 - 21 gram packs.
Net Weight 0.6 lbS (252 grams).
