Derived from urea phosphite, boric acid, copper IDS, iron EDTA, iron IDS, manganese EDTA, manganese IDS, zinc EDTA and zinc IDS.

NON PLANT FOOD INGREDIENTS:

Humic acids	0.30%
Kelp	0.15%
Microbial fermentation extracts	0.30%
Vermacompost extract	0.30%
1 X 10 ⁷ cfu <i>Bacillus amyloliquefaciens</i> per ml	
1 X 10 ⁶ cfu <i>Bacillus licheniformis</i> per ml	
1 X 10 ⁶ cfu <i>Bacillus megaterium</i> per ml	
1 X 10 ⁶ cfu <i>Bacillus subtilis</i> per ml	
1 X 10 ² <i>Glomus intraradices</i> per L	
Water based culture medium	15%

CAUTION: KEEP OUT OF REACH OF CHILDREN

Harmful if swallowed. Avoid breathing spray mist. May cause irritation of nose, throat, or skin. Avoid contact with eyes, skin, and clothing.

WARNING: The use of Boron on any crops other than those recommended may result in injury to the crop. Contact your county agent or field representative before making application.

WARNING: DO NOT MIX OR APPLY WITH FUNGICIDES

Application Instructions

Row Support Gold™ can be applied to all types of crops at a rate of 2 quarts per acre. Use a minimum of 3.5 gallons of fertilizer solution per 2 quarts of Row Support Gold™.

Applications should be made at or prior to planting or at the start of the growing season. Applications should be made every 7 - 28 days as needed throughout the season.

Contains 6.8 oz. of phosphite per gallon

Compatibility

Row Support Gold™ is compatible with most common foliar liquid nutrients and micronutrients; however, USER ASSUMES FULL RESPONSIBILITY to ensure compatibility when tank mixing with other products.

Do not mix or apply with fungicides. Do not mix with other components without a compatibility test. An adequate test for compatibility involves mixing in a small container the proper proportions of the product with water and the other ingredients.

Conditions of Sale

Seller warrants this product consists of the ingredients specified and is reasonably fit for the purpose stated on this label when used in accordance with directions under normal conditions and use. No one other than an officer of the seller is authorized to make any warranty, guarantee, or direction concerning this product. Because time, place, rate of application and other conditions of use are beyond the seller's control, the seller's liability from handling, storage, and use of this product is limited to replacement of the product or a refund of the purchase price.

Information regarding the contents and levels of metals in this product is available on the internet at <http://www.aapfco.org/metals.htm> or by writing to AGRA Solutions LLC at the address on this label and referring to the lot/batch # on this container.
