This supplemental label expires January 31, 2027 and must not be used or distributed after this date.

ATTENTION

- It is a violation of Federal law to use this product in a manner inconsistent with its labeling.
- This label and the federal label for this product must be in the possession of the user at the time of pesticide application.
- Read the label affixed to the container for this product before applying. Carefully follow all precautionary statements and applicable use directions.
- Use of this product according to this supplemental labeling is subject to all use directions, precautions and limitations imposed by the label affixed to the container for this product.

Directions for Use

Endangered Species and County Restriction Clarification

Enlist One® is a systemic herbicide that is intended for control of emerged annual and perennial broadleaf weeds. Use as a preplant, preemergence and postemergence herbicide on Enlist® corn, soybeans and cotton. Enlist herbicides with Colex-D® technology are the ONLY 2,4-D containing products authorized and specifically labeled for use with Enlist crops.

- **Endangered Species Advisory/Protection Requirements:** This product may have effects on federally listed threatened or endangered species or their critical habitat in some locations. When using this product, you must follow the measures controlling the product use relevant to your location for the protection of Endangered Species. You must obtain a Bulletin no earlier than six months before using this product. To obtain Bulletins, consult <http://www.epa.gov/espp/>, call 1-844-447-3813, or email ESPP@epa.gov. You must use the Bulletin valid for the month in which you will apply the product.
- This supplemental label permits use in the following states/counties. All users must check *Bulletins Live! Two* prior to application as described in Endangered Species Advisory/Protection Requirements.

State	County
Arizona	Yuma, Pinal or Pima counties in areas south of Interstate Highway 8 and west of US Highway 85. In Yuma, Pinal, Maricopa, Pima, La Paz, and Santa Cruz counties, land administered by the US Fish and Wildlife Service or National Park Service
Colorado	Weld
Tennessee	Wilson
Texas	Bell, Cameron, Hidalgo, Hill, McLennan, Nueces, , San Patricio, Willacy, and Williamson
