SPECIMEN LABEL

GENERAL INFORMATION

ORIGIN X-TRA is designed as a foliar spray on tree, row and field crops.

ORIGIN X-TRA is compatible with most pesticides and fertilizers. However, a compatibility test is recommended if the desired combination has not been used in the past.

DIRECTIONS FOR USE

Shake well before using.

Row crops, vegetable crops: Apply at 3 to 5 leaf stage and again in a 2-week interval.

Small Grain: Apply one application at panicle initiation.

Broadcast: Apply 1 quart per acre in a minimum of 5 gallons of water or more for optimal coverage.

Banded: Apply 1 pint per acre with adequate water for optimal coverage.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal. Follow proper procedures for disposal of container. Rinse and dispose of empty container according to approved local practices.

CONDITIONS OF SALE

Seller warrants that the product conforms to its chemical description and is reasonably fit for the purpose stated on the label when used in accordance with directions under normal conditions of use. Weather, crop conditions, timing and methods of applications, mixtures with other chemicals not specifically recommended, and other factors in the use of product are beyond the control of the seller. Buyer assumes all risks of use, storage, or handling of this material not in strict accordance with directions given herewith.
