GENERAL INFORMATION

Nitamin® 30-0-0 is a clear liquid fertilizer marketed by Koch Agronomic Services, LLC. Nitamin Steady-Delivery® fertilizer can be used on row crop, turf, vegetable, and fruit applications. Nitamin 30-0-0 is a saturated polymer solution. It can be blended with most phosphorus, potassium, and sulfur sources, but only to their solubility thresholds. If Nitamin 30-0-0 is being used as a portion of the nitrogen in a NPK blend, it is compatible with most nitrogen sources. Nitamin can be mixed with most common pesticides, herbicides and fungicides. However, a jar test should be used to confirm compatibility. Nitamin should not be mixed with strong acids (e.g., phosphoric) as product degradation will occur and the fertilizer will precipitate. Nitamin is ideal for drip irrigation systems and can be directly siphoned into a proportioner.

APPLICATIONS RECOMMENDATIONS

Please refer to your local dealer representative for application guidelines.

SAFETY AND FIRST AID PROCEDURES

MSDS: The MSDS for this product is available online at <http://www.kochfertilizer.com> or <http://www.nitamin.com> or call 316.828.7672.
EYES: Immediately rinse with water. Remove contact lenses. Hold eyelids apart and flush eyes with water for at least 15 minutes. Get immediate medical attention.
SKIN: Wash skin thoroughly with soap and water. Get medical attention if irritation persists.
INHALATION: Move person into fresh air. Rest in half-upright position. Get medical attention if necessary.
INGESTION: If conscious, immediately rinse mouth and give large quantities of water. Get immediate medical attention.

PERSONAL PROTECTIVE EQUIPMENT

Wear eye protection and chemical-resistant gloves when handling this product.

STORAGE & DISPOSAL

Do not store below 32°F (0°C). Do not store in direct sunlight. Keep in a cool location out of reach of children and animals. Dispose of empty containers by triple rinsing and discard empty containers in a landfill in accordance with current local, state and federal regulations.

*** For chemical emergency: Call CHEMTREC day or night***
