Manufactured For:

P.O. Box 475, Rupert, Idaho 83350 (208) 531-4100 www.powerlineproducts.com

INFORMATION

Power-Line Primer contains nitrogen and protein hydrolysates that aid in the utilization of nutrients.

Power-Line Primer is believed to be compatible with most agricultural foliar nutrients, spray adjuvants, fungicides and insecticides. If physical compatibility is unknown, use a jar compatibility test.

STORAGE AND DISPOSAL

1. Storage: Store in original container only and keep sealed. Store in closed storage areas. Use caution when moving, opening, closing or pouring.

2. Container Disposal: Triple rinse (or equivalent), then offer recucling or reconditioning, or puncture and dispose of in a sanitary landfill, or other procedures approved by state and local authorities.
