Application: Foliar Spray and Soil Application

NanoPro® uses Aqua-Yield's® Enhanced NanoShield Delivery™ to capture molecules in liquid solution and delivers them by creating nanocavities in the leaf surface to allow products to readily enter the plant. NanoPro® can be added to any spray mixture to enhance plant uptake of specialty and generic herbicide, fungicide, and pesticide products. This product is field tested and grower approved to change the way you manage crops and control weeds.

Why Use NanoPro™?

- Faster burn down of weeds
- Higher percentage kill on tough weeds
- Enhances fungicide absorption
- Unique formulation promotes cellular access
- Highly compatible with most products and adjuvants

Application Rates:

Apply NanoPro 4 fluid ounces (118.2 ml) to the acre in 20 to 100 gals. Use with every herbicide, fungicide or pesticide application.

Small Acre Application Rates:

- 1 oz per 5 to 10 gallons of spray
- 0.5 oz per 5,000 square feet

General Use Directions: Add NanoPro in sufficient water to ensure adequate crop coverage and mix well before adding other products and applying. NanoPro is intended to be tank mixed with agricultural products to improve absorption.

Storage and Handling: Do not store product in direct sunlight for extended periods of time. Keep container sealed when not in use. Warning: Do not swallow. Spray from this product may act as an irritant. Avoid inhalation and contact with eyes, skin and clothing.

Precautions & Recommendations

- NanoPro is not intended to replace other adjuvant products.
- Do not mix in concentrate other products, particularly with copper-based fungicides or fixed copper.
- A compatibility test is recommended before applying combinations of this product with any other product.
- Contact an authorized Aqua-Yield representative for more information.

Important: read before using

Read the entire directions and the warranty disclaimer and limitation of liability before using this product. If terms are not acceptable, return unopened product. By using this product, user/buyer accepts the following warranty disclaimer and limitation of liability. Warranty disclaimer and limitation of liability manufacturer and seller warrant that this product conforms to the chemical description on the label thereof and is reasonably fit for purposes stated on the label when used in strict accordance with the directions for use. Tests have not been conducted on all varieties of food crops and plants, possible use or application with other products, the manner of use or application, or under all conditions. Manufacturer and seller make no other express or implied warranty of merchantability or fitness for a particular purpose. Where permissible, it is manufacturer and seller's intent to limit any liability for special consequential or incidental economic damages to refund or purchase price or replacement of product, at manufacturer's or seller's choice. Manufacturer and seller disclaim any liability for compensatory or other damages arising out of any use contrary to label directions or shipping of product. Use contrary to label directions is not permitted. User assumes all responsibility for damages caused to crops when exceeding application rates.

Information regarding the contents and levels of metals in this product are available at <http://aapfco.org/metal.html>

Disclaimer

If applied with a fungicide or pesticide, it is the users responsibility to conduct a trial application on the crop(s) to be sprayed with this mix of chemicals to determine compatibility of products and compatibility with crop(s) sprayed. When mixing with other spray materials a jar compatibility test is recommended.

Conditions of Sale

Seller warrants that this product conforms to the chemical description on the label thereof and is reasonably fit for purposes stated on the label when used in accordance with directions under normal use conditions. Crop Injury, product use ineffectiveness, or other unintended consequences may result because of such factors as weather conditions, presence of other materials, or the manner of use or application, all of which are beyond the control of Seller. In no case shall Seller or it's distributor be liable for consequential, special or indirect damages resulting from the use, handling, or shipping of this product. All such risk shall be assumed by the buyer /end user. Seller makes no warranties of merchantability or fitness for a particular purpose nor any other express or implied warranty except as stated above.
