INDEX:

- 1.0 First Aid
- 2.0 Handling
- 3.0 Directions for Use
- 4.0 Warranty and Disclaimer Statement

2.0 HANDLING

Prior to use, do not handle until all safety precautions have been read and understood. Obtain special instructions before use. Wear protective clothing, gloves and eye protection when handling. Do not get in eyes or on skin. Do not breathe mist or vapour, use only outdoors or in a well-ventilated area. Do not eat, drink or smoke when using this product. Wash hands thoroughly after handling. If spilled absorb spillage to prevent material damage.

STORAGE: Store in locked location. Keep material in original container that is corrosive resistant with resistant inner liner. Store container in a dry and cool area. Keep container upright to prevent leakage.

DISPOSAL: Improper disposal or reuse of this container may be dangerous and illegal. Refer to applicable federal, state, and local regulations. Since empty containers contain product residue follow label warnings even after container is emptied.

3.0 DIRECTIONS FOR USE

1. ALWAYS add RaynoxTM Water Softener to ALL REQUIRED spray water BEFORE adding *Raynox* or *Raynox Air* Apple Sunburn Protectants.
2. Refer to the table below to determine the dose of *Raynox* Water Softener to be added to the TOTAL spray water. NOTE: The table assumes a water hardness of 137 ppm.

| Amount of water | Amount of Softener |
|-----------------|--------------------|
| 50 gal | 7 oz |
| 100 gal | 14 oz |
| 150 gal | 21 oz |
| 200 gal | 27 oz |
| 250 gall | 34 oz |
| 300 gal | 41 oz |
| 350 gal | 48 oz |
| 400 gal | 55 oz |

1.0 FIRST AID

| | |
|-------------|---|
| If in eyes | Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Immediately call a POISON CENTER/doctor for medical advice/attention. |
| If on skin | Take off contaminated clothing. Wash skin with plenty of soap and water. If redness, burning or irritation persists, get medical advice/attention. Wash contaminated clothing before reuse. |
| If ingested | Do not induce vomiting. Rinse mouth. Give large amounts of water or milk if available and transport to medical facility. Do not give anything by mouth to an unconscious person. Call POISON Center/doctor if you feel unwell due to ingestion. |
| If inhaled | Remove person to fresh air and keep comfortable for breathing. If person is not breathing, call 911 or an ambulance and then give artificial respiration, preferable mouth-to-mouth, if possible. Call POISON Center/doctor if you feel unwell due to inhalation. |

HOT LINE NUMBER

CALL 800-892-0099 (24 HOURS) FOR EMERGENCY INFORMATION.

3. You must know the level of hardness of your spray water supply. If your water hardness is over 180 ppm, contact your Valent Technical Representative to determine the proper amount of water softener to use. Insufficient or improper use of water softener can result in product degradation and may adversely affect product performance and fruit finish.
4. Mix for two minutes before adding *Raynox* or *Raynox Air* Apple Sunburn Protectants to tank. Failure to use *Raynox* Water Softener according to label directions can result in reduced sunburn protection efficacy.

For more information, consult your Valent representative. IMPORTANT: Read the information below before using this product. If the terms are not acceptable, you should return the unopened container immediately for a complete refund.

4.0 WARRANTY AND DISCLAIMER STATEMENT
