This product does not exceed standards established for arsenic, cadmium, and lead. Information regarding the contents & levels of metals in this product is available by calling toll-free 1-800-969-8458.

Derived from: Boric Acid and Sodium molybdate. Reference number: 111015-2003

CAUTION! This product contains >0.1% Boron (as B). The use of this fertilizing material on any crops other than almonds may result in serious injury to the crop(s).

CAUTION! The application of fertilizing materials containing molybdenum (as Mo) may result in forage crops containing levels of molybdenum (as Mo) which are toxic to ruminant animals.

HARMFUL IF SWALLOWED. AVOID CONTACT WITH SKIN, EYES, OR CLOTHING. In case of contact, immediately flush skin, eyes or clothing with plenty of water for at least 15 minutes.

Deerpoint Group, Inc. makes no warranty, expressed or implied, about this product or its use, as field conditions are beyond our control.
