

Road Runner 77

ORGANOSILICONE SURFACTANT

PRINCIPAL FUNCTIONING AGENTS:

Polysiloxane polyether copolymer, polyether 100%

TOTAL **100%**

WA Reg. No. 73127-10003

All ingredients are exempt from tolerance requirements under 40 CFR 180.

KEEP OUT OF REACH OF CHILDREN WARNING

May be harmful if swallowed. May cause an allergic skin reaction Causes serious eye irritation. Harmful if inhaled. Read label before use. Keep only in original container. Do not breathe dust, fume, gas, mist, vapors, and spray. Wash thoroughly after handling. Use only outdoors or in a well-ventilated area .Do not eat, drink or smoke when using this product. Wear protective gloves, protective clothing, eye protection, face protection.

FIRST AID

EYE CONTACT - IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses if present and easy to do then continue rinsing. Have the product container with you when calling a poison control center or doctor, or going for treatment. If eye irritation persists: Get medical advice or attention.

SKIN CONTACT - IF ON SKIN OR CLOTHING: Take off contaminated clothing and wash it before reuse. Wash with soap and water for several minutes. Call a poison center, doctor, chemical manufacturer, importer, or distributor to specify the appropriate source of emergency medical advice. If skin irritation occurs: Get medical advice or attention.

INGESTION - IF SWALLOWED: Unless advised otherwise by a poison control center or doctor, have person rinse mouth with water, if able. Do not give anything by mouth to an unconscious person. Immediately call a poison center, doctor, chemical manufacturer, importer, or distributor to specify the appropriate source of emergency medical advice.

INHALATION - IF INHALED: If breathing is difficult, remove person to fresh air and keep at rest in a position comfortable for breathing. If person is not breathing, call 911 or an ambulance, and then give artificial respiration, preferably mouth to mouth if possible.

NET CONTENTS:

112 W. Charron Road • Moxee, WA 98936 | 230 Cowiche City Road • Cowiche, WA 98923

GENERAL INFORMATION:

Road Runner 77 is a organo-silicone surfactant. **Road Runner 77** has demonstrated the ability to lower surface tension in spray solutions well below commonly used surfactants. Lower surface tension will result in more effective wetting and more uniform coverage on nearly any surface. **Road Runner 77** is a 100% active non-flammable formulation that readily disperses in spray solutions (aqueous and most non-aqueous). **Road Runner 77** should be utilized in agricultural sprays where coverage is critical. **Road Runner 77** has demonstrated excellent plant safety; however, not all species and varieties have been tested. Before treating a large area, treat a small area and observe prior to full scale application. Treatments that have shown phytotoxicity to plants may be aggravated by **Road Runner 77**, especially on tender foliage such as tomatoes.

DIRECTIONS FOR USE:

Some pesticides have stated adjuvant use rates. In all cases, the pesticide manufacturer's label should be consulted regarding specific adjuvant use recommendations and the rate on the manufacturer's label followed. Do not add adjuvant at a level that would exceed 5% of the finished spray volume. **Road Runner 77** will promote spreading uniformly at very low concentrations. High rates of **Road Runner 77**, in combination with high water volumes, can result in decreased performance due to excessive run-off of spray mixture. Adjust rates of **Road Runner 77** or water volumes to obtain thorough coverage without excessive run-off.

Mixing: Fill spray tank 1/2 full with water and begin agitation. Add pesticides/foliar nutrients as directed by label, while maintaining agitation. After pesticides/foliar nutrients are thoroughly mixed, eliminate any existing foam with defoamer then add desired amount of **Road Runner 77**. To minimize foam from organosilicone surfactant, fill tank to desired water volume before adding **Road Runner 77**.

NOT FOR AQUATIC USE

APPLICATION OR USE RATES:

Ground & Air Application: 3 to 16 fluid ounces of **Road Runner 77** per 100 gallons of spray mixture.

	Fluid Ounces of Road Runner 77 per 100 gallons		
	above 50 gal	10 to 50 gal	10 gal and less
Herbicides	3 to 8	6 to 12	8 to 16
Desiccants	3 to 8	6 to 12	8 to 16
Defoliants	3 to 8	6 to 12	8 to 16
Insecticides	3 to 4	4 to 8	8 to 16
Acaracides	4 to 6	6 to 10	10 to 16
Fungicides	4 to 6	6 to 12	8 to 16
Plant Growth Regulators	3 to 4	4 to 8	8 to 12
Foliar Nutrients	3 to 12	8 to 12	10 to 16
Turf	3 to 6		
Soil Wetting	6 to 16		

The rates for **Road Runner 77** listed are suggested use rates. **Road Runner 77** will hydrolyze under alkaline or acid conditions. Optimum spreading and wetting from **Road Runner 77** will occur between pH 6 and pH 8. Spray mixtures above pH 8 and below pH 6 should be applied immediately or adjust pH of solution between pH 6 and pH 8.

STORAGE AND DISPOSAL:

Use personal protective equipment as required. Store in a cool well-ventilated place. Keep in original container tightly closed. Do not reuse empty container. Do not store with food, feed, or other material to be used or consumed by humans or animals. Do not contaminate water supplies. For optimal storage, store between 40° and 90° F.

Disposal: Do not contaminate water, food or feed by storage or disposal. Dispose of contents in container to an approved waste disposal facility in accordance with all federal, state and local regulations. Triple rinse (or equivalent) adding rinse water to application tank. Offer container for recycling or dispose of in a sanitary landfill or by other procedures approved by local regulations. Recycling decontaminated containers is the best option of container disposal. The Agricultural Container Recycling Council (ACRC) operates the national recycling program. To contact your state and local ACRC recycler visit the ACRC web page at www.acrecycle.org. Decontaminated containers may also be disposed of in a sanitary landfill.

WARRANTY STATEMENT: Seller warrants that this product conforms to its chemical description and is reasonably fit for the purpose stated on the label, when used in accordance with directions under normal conditions of use, but neither this warranty nor any other warranty of merchantability or fitness for a particular purpose, expressed or implied, extends to the use of this product contrary to label instructions, or under abnormal conditions, or under conditions not reasonably foreseeable to the seller, and buyer assumes the risk of any such use.
