State of Wisconsin

FIFRA 24(c) Special Local Need Label (SLN)
For Use on Ginseng for Suppression or Control of Root Rot Caused by *Cylindrocarpon destructans* in Wisconsin

Vapam[®] HL[™]

EPA REG. NO. 5481-468

EPA SLN NO. WI-200003

KEEP OUT OF REACH OF CHILDREN

DANGER – PELIGRO

This label expires and must not be distributed or used in accordance with this SLN registration after December 31, 2024.

DIRECTIONS FOR USE

- It is a violation of Federal law to use this product in a manner inconsistent with its labeling.
- This state-specific Section 24(c) labeling must be in the possession of the user at the time of application.
- Follow all applicable directions, restrictions, Worker Protection Standard requirements, and precautions on the EPA registered label for EPA Reg. No. 5481-468.

USE INFORMATION

Apply a pre-plant shank application of 37.5 to 75 gallons per treated acre of VAPAM[®] HL for the suppression or control of soil borne pathogen, *Cylindrocarpon destructans* in ginseng.

- Use the maximum application rate for increased suppression or control of root rot caused by *Cylindrocarpon destructans*.
- Contact local extension specialists or publications for more information about use of Vapam HL[®] for use on ginseng.

Follow Label DIRECTIONS FOR USE in the Vapam[®] HL label for all applications.

Restrictions/Precautions

- Do not exceed 75 gallons/treated acre as a single shank application or applied equivalent as a band application.
- Follow label for application method used and all restrictions regarding entry restricted period, buffer zone, pre-harvest interval (PHI), aquatic toxicity, chemigation, endangered species, groundwater and surface water contamination, and pollinator protection.

It is a violation of Federal law to harm an endangered species. Use of this product may be in counties which have endangered and threatened species present; therefore, applicators should evaluate the areas to be treated and take necessary precautions to avoid harming endangered species or their habitat/environment. Growers who are uncertain of the presence of a protected species should contact the Wisconsin Department of Agriculture, Trade and Consumer Protection at (608) 224-4547.

IMPORTANT: Read the entire Directions for Use and the Conditions of Sale and Limitation of Warranty and Liability before using this product.
