

Rivet 90 OS

Nonionic Surfactant + Organosilicone

INGREDIENTS:

Principal Functioning Agents:
Nonionic Surfactant & Organosilicone.....90%
Inert Composition.....10%
Total.....100%
APE and NPE Free

RATE OF RIVET 90 OS

- 1 to 2 quarts per 100 gallons of water
- Follow chemical label recommendations for nonionic surfactant

CAUTION: KEEP OUT OF REACH OF CHILDREN

May cause skin and eye irritation. Avoid eye and skin contact. Do not take internally.

GENERAL INFORMATION

Rivet 90 OS is the superior nonionic surfactant on the market with class leading performance in numerous different application when applied with defoliants, herbicides, insecticides, and fungicides. Rivet 90 OS's combination of surfactant and organosilicone reduces the surface tension beyond that of conventional NIS products, enabling your spray droplets to spread out over the entire surface of the plant. Rivet 90 OS also exhibits substantial wetting and adhesion, along with reducing spray droplet bounce.

DIRECTIONS FOR USE

In all cases, follow chemical manufacturer's label or speak with your certified crop advisor.

Rivet 90 OS is a non-foaming surfactant that is compatible with most chemical formulations including dry flowables. If tank mix concerns arise, perform a jar test.

HANDLING AND STORAGE

Wash hands and other exposed areas with mild soap and water before eating, drinking or smoking and when leaving work. Provide good ventilation in process area to prevent formation of vapor. Do not get in eyes, on skin, or on clothing. Keep container tightly closed in a cool, dry, and well-ventilated place. Protect from sunlight. Personal protective equipment: Wear chemical-resistant gloves, long-sleeved shirt and long pants, socks and shoes.

FIRST AID

IF ON SKIN OR CLOTHING: Remove affected clothing and wash all exposed skin with water for at least 15 minutes.
IF IN EYES: Immediately flush with plenty of water for at least 15 minutes. Remove contact lenses if present and easy to do so. Continue rinsing.
IF SWALLOWED: rinse mouth thoroughly. Do not induce vomiting without advice from POISON CONTROL CENTER: 800-222-1222. Get medical attention if you feel unwell.
IF INHALED: Remove to fresh air and keep at rest in a position comfortable for breathing.

All ingredients are exempt from tolerance requirements under 40 CFR 180.1001(d)
