

Seasol™

Seasol Organic Root Boost 0-0-3

NOTE - Read Entire Label. Use only in accordance with the label directions.

Seasol™ ORGANIC ROOT BOOST may increase vigor in growing plants.

STORAGE: Store in a clean, dry place at temperatures between freezing and 110°F. Do not store for longer than 24 hours once diluted. Use immediately if mixed with an agricultural chemical. Do not store in direct sunlight. Keep container closed.

COMPATIBILITY: **Seasol™ ORGANIC ROOT BOOST** can be diluted with water or liquid fertilizer. **Seasol™ ORGANIC ROOT BOOST** can be mixed with many agricultural chemicals but compatibility with the chemical should be checked first. **DO NOT MIX Seasol™ ORGANIC ROOT BOOST with CALCIUM products.** Do not mix **Seasol™ ORGANIC ROOT BOOST** with emulsifiable concentrate pesticides. Pre-dilution of all products to be mixed should ensure compatibility but conducting a "jar test" by mixing small quantities of diluted products together and observing for signs of precipitation is recommended.

DIRECTIONS FOR USE:
SHAKE OR AGITATE WELL BEFORE USE.

Seasol™ ORGANIC ROOT BOOST SHOULD NOT BE APPLIED UNDILUTED.

Use in conjunction with a calibrated soil nutrient analysis and fertility program.

Lot No:

Guaranteed Analysis
