State: California

Directions for Use

- **It is a violation of Federal law to use this product in a manner inconsistent with its labeling.**
- **The user must refer to the federally approved labels for the above noted product and read and follow all directions for use, restrictions, and precautions.**
- **The user should have this recommendation in its possession at the time of use.**
- **This recommendation for use of this product is permitted under Section 2(ee) of FIFRA and has not been submitted to or been approved by EPA.**

Tank mix Broadworks at 6 fl oz/Acre and Alion at 3.5 fl oz/Acre and apply preemergence for broad-spectrum weed control. For burndown of emerged weeds add one of either Gramoxone SL 2.0, a glyphosate or glufosinate product as listed on the approved Section 3 federal labels at labelled rates.

Follow all use directions, restrictions, and precautions for the listed crops on the Broadworks Herbicide and Alion Herbicide federal labels.
