

Specimen Label

SePRO Blue*

Lake and Pond Dye in Water-soluble
Packets

GENERAL INFORMATION

SePRO Blue is a proprietary blend of environmentally friendly, non-toxic, water-soluble dyes formulated to reduce sunlight penetration and impart a natural blue color when applied to ponds, lakes and fountains. SePRO Blue Water-soluble packets are protected by a unique, waterproof, foil-lined over pack to prevent accidental staining while handling.

SePRO Blue, and its water-soluble packaging, dissolves quickly and are non-toxic to turf grass, birds, mammals, reptiles, fish or other aquatic species.

Irrigation, swimming and other recreational uses are approved during and following the use of this product.

Applications to chlorinated water may require more frequent treatment.

Keep Out of Reach of Children CAUTION

FIRST AID	
If swallowed	Drink large amounts of water and induce vomiting.
If inhaled	This material is not expected to be an inhalation problem.
If in eyes	Flush with plenty of low-pressure water.
If on skin	Wash exposed areas with soap and water.

CONDITION OF SALE

Note: Read the information contained herein before buying or using this product. If the stated terms are not acceptable, return the product at once unopened. It is critical that this product be used and mixed only as specified on this label. Neither the manufacturer nor the seller makes any representation or warranty, expressed or implied, with respect to the results from the use of this material. Buyer and user assume all risks of use and/or handling. SePRO Corporation warrants that this material is reasonably fit for use as specified on this label. No agent or representative is authorized to make any other representations concerning this material. Unforeseen factors beyond SePRO's control prevent elimination of risks in connection with the use of its chemicals. Such risks include, but are not limited to, damage to plants and/or crops to which the material is applied, or lack of complete control and damage caused by drift to other plants or crops. Such risks may occur even though the product is reasonably fit for use as stated hereon and even though label directions are followed. Follow directions carefully. Timing, mixture, method of application, weather and other conditions are influencing factors in the use of this product and are beyond the control of the seller. Except to the extent prohibited by applicable law, the exclusive remedy of the user or buyer and the limit of liability of the company or any other seller for any and all losses, personal injuries or damages resulting from the use of this product, shall be the purchase price paid by the user or buyer for the quantity of product involved.

Directions for Use

FOR APPLICATION TO PONDS, LAKES, FISHERIES AND ORNAMENTAL BODIES OF WATER.

IMPORTANT: DO NOT APPLY THIS PRODUCT TO WATER INTENDED FOR DIRECT HUMAN CONSUMPTION. DO NOT USE THIS PRODUCT FOR STREAMS, RIVERS OR OTHER BODIES OF WATER WHICH ARE NOT UNDER THE CONTROL OF THE USER. ONLY USE THIS PRODUCT IN ACCORDANCE WITH LOCAL, STATE AND FEDERAL REGULATIONS.

Open the foil-lined over pack to dispense the water-soluble packet(s). Holding onto the foil-line over pack, drop or throw the SePRO Blue Water-soluble packet(s) into the body of water.

Water temperature and degree of agitation will influence dissolution and dispersion of SePRO Blue Water-soluble packet(s).

Use Rate

Each SePRO Blue Water-soluble packet will effectively treat one (1) acre foot, or approximately 325,852 gallons of water.

To determine initial number of packet(s) to apply, multiply surface acres of the body of water by 4. Once dye has been dispersed, adding additional packet(s) if desired can increase color intensity.

STORAGE AND DISPOSAL

IMPORTANT: DO NOT OPEN THE PROTECTIVE OVER PACK UNTIL YOU ARE READY TO DISPENSE THE PACKET(S). MOISTURE WILL DISSOLVE PACKET(S). DO NOT ALLOW PACKET(S) TO BECOME WET UNTIL ADDED TO THE BODY OF WATER. Always dispose of rinsate, and foil-lined over pack, in compliance with local, state and federal regulations.
