

BETWEEN™

HIGH LOAD CROP OIL CONCENTRATE

AVAILABLE IN:
2 x 2.5 case
minibulk
bulk

ACTIVE INGREDIENTS: (BY WEIGHT)

Paraffin Base Petroleum Oil	60%
Polyol Fatty Acid Esters, Polyethoxylated Derivatives	40%
TOTAL	100%

All ingredients are exempt from tolerance requirements under 40 CFR 180.1001 (c).

GENERAL INFORMATION

BETWEEN is a highly concentrated blend of surfactants and paraffin oil. It is designed for use with a broad range of pesticides where an oil concentrate adjuvant is recommended. **BETWEEN** increases contact activity and penetration of the spray while also providing uniform coverage on leaf surfaces. Always follow herbicide label recommendations. Care should be taken in treating sensitive crops during drought stress, high temperatures and high humidity.

RECOMMENDED RATES

BETWEEN should be applied at a rate of 4 pints per 100 gallons or 0.5% v/v in ground, aerial, low volume or CDA applications. If conventional crop oil concentrate is recommended at a rate of 1 quart per acre replace with **BETWEEN** at a rate of 1 pint per acre. **BETWEEN** rates generally are one half the rate of conventional crop oil concentrates.

MIXING

To prepare for pesticide application fill spray tank one-half full with water and begin agitation. Add pesticide or fertilizer as recommended and then add **BETWEEN** while continuing agitation. Continue to agitate until tank is full and agitate before and during each application.

HANDLING AND STORAGE

Shake well before using. Recirculate bulk if stored below 32°F. Avoid contact with eyes and skin. Do not store near oxidizing agents.

CONTAINER DISPOSAL

Triple rinse. Then offer container for recycling or reconditioning, or puncture and dispose of in a sanitary landfill. If incineration is allowed, stay out of smoke.

CAUTION:

KEEP OUT OF REACH OF CHILDREN
See precautionary statements.

Avoid eye and skin contact. Avoid ingestion, breathing vapors or spray mist. **NOTE:** Read and follow all label directions and cautions on all products used.

STATEMENT OF PRACTICAL TREATMENT

If In Eyes: Immediately flush with water for 15 to 20 minutes. Seek medical attention if irritation persists. **If On Skin:** Wash with soap and water. Seek medical attention if irritation persists. **If Swallowed: DO NOT INDUCE VOMITING. DO NOT GIVE LIQUIDS.** Seek immediate medical attention. **If Inhaled:** Remove to fresh air, treat symptomatically. Seek medical attention if irritation persists.

CONDITIONS OF SALE OF WARRANTIES

The directions for use of these products reflect the opinion of experts based on field use and test. The directions are believed to be reliable and should be followed carefully. However, it is impossible to eliminate all risks inherently associated with use of this product. Crop injury, ineffectiveness, or other unintended consequences may result because of such factors as weather conditions, presence of other materials, or the manner of use or application, all of which are beyond the control of the Manufacturer or the Seller. All such risks shall be assumed by the buyer. The manufacturer warrants that this product conforms to the chemical description on the label and is reasonably fit for the purposes referred to in the directions for use, subject to the inherent risks referred to above. **THE MANUFACTURER OR SELLER MAKES NO OTHER EXPRESSED OR IMPLIED WARRANTY OF FITNESS OR MERCHANTABILITY OF ANY OTHER EXPRESSED OR IMPLIED WARRANTY. IN NO CASE, SHALL SELLER BE LIABLE FOR CONSEQUENTIAL, SPECIAL OR INDIRECT DAMAGES RESULTING FROM THE USE OR HANDLING OF THIS PRODUCT.** The Manufacturer and the Seller offer this product and the Buyer and User accepts it subject to the foregoing conditions of sale and warranty which may be varied only by agreement in writing signed by duly authorized representative of the manufacturer.
