

ULTRA-LITE™

SURFACTANT AND AMMONIUM SULFATE SOLUTION

ACTIVE INGREDIENTS

Nonionic Surfactant	10%
Ammonium Sulfate Solution	90%
Total	100%

All ingredients in this product are exempt from the requirements of a tolerance as specified in federal regulation 40 CFR 180.1001 for use in growing crops and raw agricultural commodities.

GENERAL INFORMATION

ULTRA-LITE is a liquid formulation of ammonium sulfate and nonionic surfactant in a user-friendly premix. **ULTRA-LITE** is designed to be used with any herbicide label that calls for a combination of nonionic surfactant and AMS inclusions.

ULTRA-LITE will:

- Offer faster surfactant wetting and surface tension reduction enhancing herbicide movement through the cuticle on the leaf surface
- Make herbicide formulations work better by guarding against hard water antagonism
- Add ammonium ions to help increase plant uptake of herbicide through the phloem of the plant

ULTRA-LITE makes herbicides work better, faster and longer than many other adjuvant formulations.

DIRECTIONS FOR USE

Gallons of ULTRA-LITE per 100 gallons (v/v) of water	Quarts/100 gallons Nonionic Surfactant (NIS)	Pounds/100 gallons Ammonium Sulfate(AMS)
1.25 gallons	1 pint	4.25 lbs. (0.5% v/v)
2.50 gallons	1 quart	8.50 lbs. (1% v/v)
5.00 gallons	2 quarts	17.0 lbs. (2% v/v)

The amount of **ULTRA-LITE** to add to a 10 gallon per acre application rate mixture would be:

1. One pint (1 pt.) per acre to get 1 pint NIS v/v and 0.5% v/v of AMS
2. One quart (1 qt.) per acre to get 1 quart NIS v/v and 1% v/v of AMS
3. Two quart (2 qt.) per acre to get 2 quarts NIS v/v and 2% v/v of AMS

MIXING INSTRUCTIONS

Always read and follow specific mixing instructions on the herbicide label.

STORAGE AND HANDLING REQUIREMENTS

Store product in original container only. Do not spill, or store near heat or open flame. Keep the container closed when not in use and take care to prevent any water from entering the container. Dispose of empty container by triple rinsing and discard empty containers in a landfill or recycle according to state and local regulations.

CAUTION

KEEP OUT OF REACH OF CHILDREN

- STOP -

READ ENTIRE LABEL BEFORE USING

Not intended for human or animal consumption. See STATEMENT OF PRACTICAL TREATMENT for additional information. Read and understand the entire DIRECTIONS FOR USE and the NOTICE OF WARRANTY before using this product.

STATEMENT OF PRACTICAL TREATMENT

Avoid contact with eyes, skin and clothing. May be harmful if swallowed. In case of eye contact, immediately flush with large quantities of water for at least 15 minutes. Call a physician. In case of skin contact, wash affected area with soap and water. Remove and launder contaminated clothing before reuse. In case of ingestion, consume 1 to 2 glasses of water and induce vomiting. DO NOT induce vomiting or give anything by mouth to an unconscious person. Call a physician or Poison Control Center immediately.

NOTICE OF WARRANTY: Seller warrants that the product conforms to its chemical description and is reasonably fit for the purpose stated on the label only when used in accordance with label directions under normal conditions of use. SELLER MAKES NO OTHER EXPRESS OR IMPLIED WARRANTIES EITHER OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR USE. IN NO CASE WILL SELLER BE HELD LIABLE FOR CONSEQUENTIAL, SPECIAL OR INDIRECT DAMAGES RESULTING FROM THE HANDLING, STORAGE, OR INCORRECT USE OF THIS PRODUCT.
