

Principal Functioning Agents:

Soapbark, alkylphenol ethoxylate, polysaccharide . 10.10%
Constituents Ineffective As Spray Adjuvants: 89.90%
 Total: 100.00%

PRODUCT INFORMATION

- **BioLink Spreader-Sticker** is an environmentally-friendly, biodegradable, natural adherent designed to increase the spreading and adhesion of insecticides, fungicides, and herbicides to the plant.
- **BioLink Spreader-Sticker** forms a protective film that prevents pesticides from being degraded by Ultraviolet sunlight.
- Due to its dispersing capacity, **BioLink Spreader-Sticker** allows for a homogenous distribution of the applied chemicals.
- **BioLink Spreader-Sticker** improves the effectiveness of pesticides by reducing the wash off by rain or irrigation.
- **BioLink Spreader-Sticker** is not designed for aquatic use.

- Due to the natural composition of this product, coloration may vary from yellow to white.
- Add **BioLink Spreader Sticker** last, after all other products have been added, when spray tank is ¾ full and with agitation.

DIRECTIONS FOR USE

BioLink Spreader-Sticker can be applied to all crops including fruit trees, vines, tree nuts, fruits and vegetables, field and row crops, ornamental trees, shrubs and flowers, containerized plants, and turf.

When mixing **BioLink Spreader-Sticker** with any other products, read and follow the precautions, restrictions and recommendations on all product labels. A standard jar compatibility test should be conducted before using any new mixes.

Recommended Use Rates:

Foliar Application: 2 to 4 ounces per 100 gallons of water. Follow side chart for rates.

Nursery & Container: 1 ounce per 5 gallons of water.

Home & Garden: 1 ounce per 5 gallons of water.

For other applications refer to the Suggested Use Rates for Spreader-Sticker per Gallons of Spray Mix table on the right.

Suggested Use Rates for Spreader-Sticker per Gallons of Spray Mix

Gallon of Spray Mix	Ounce of Spreader-Sticker
50	2
100	4
150	6
200	8
250	10
300	12
400+	16

Keep Out Of Reach of Children

Precautionary Statement

WARNING: Causes substantial but temporary eye irritation. Do not get in eyes or on clothing. Wear protective eyewear (goggles or face shield). Wash thoroughly with soap and water after handling and before eating, drinking or chewing gum. Remove contaminated and wash clothing before reuse.

First Aid Statement: If in eyes, hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing.

Storage and Disposal: Store out of direct sunlight and at temperatures above freezing (0°C). Rinse and offer empty containers for recycling or reconditioning, or dispose of in a sanitary landfill.

NOTICE OF WARRANTY - Westbridge warrants that the product conforms to its chemical description and is reasonably fit for the purposes stated on the label when used in accordance with the directions under normal conditions of use. Crop injury, ineffectiveness or other unintended consequences may result because of such factors as weather conditions, presence of other materials or the manner of use or application, all of which are beyond the control of Westbridge. In no case shall Westbridge be liable for consequential, special or indirect damages resulting from the use or handling of this product. Westbridge makes no warranties of merchantability or fitness for a particular purpose nor any other express or implied warranty except as stated above.
