## KEEP OUT OF REACH OF CHILDREN CAUTION

### FIRST AID

#### If On Skin Or Clothing:

- Take off contaminated clothing.
- Rinse skin immediately with plenty of water for 15-20 minutes.
- Call a poison control center or doctor for treatment advice.

Have the product container or label with you when calling a poison control center or doctor, or going for treatment.

## PRECAUTIONARY STATEMENTS

### HAZARDS TO HUMANS AND DOMESTIC ANIMALS

**CAUTION:** Wash thoroughly with soap & water after handling.

### ENVIRONMENTAL HAZARDS

For terrestrial uses, do not apply directly to water, to areas where surface water is present, or to intertidal areas below the mean high water mark.

## DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

### USE RESTRICTIONS:

This product may be used to repel Canada geese from turf areas. This product must be applied using a pump sprayer. Do not apply when grass is wet or rain is expected.

### DILUTION DIRECTIONS:

Shake or stir NO GOOSE ZONE™ container well prior to diluting. Mix product outside or in a ventilated area.

Mix NO GOOSE ZONE™ with water at a ratio of 1 part product to 12 parts water. For example, mix 8 oz. of product with 96 oz. (3 qts.) of water to make a 104 oz. spray mixture.

### APPLICATION DIRECTIONS:

Apply at a rate of 104 oz. of spray mixture (0.07 lbs. a.i.) per 1,000 sq. ft. of turf. Spray evenly on area to be protected to provide thorough coverage and allow material to dry before permitting human activity on the treated area. Repeat application in 4 days or as warranted by Canada goose activity. Do not mow treated area for several days after application.

## STORAGE & DISPOSAL

**STORAGE:** Store only in original container, in a dry place inaccessible to children, pets and domestic animals. Store apart from pesticides, fertilizers, food or feed that may cause cross-contamination from odor. Store above 32°F. Keep container tightly closed when not in use.

**REPELLENT DISPOSAL:** Product or rinse water that cannot be used according to label instructions must be disposed of according to Federal or approved State procedures. Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility.

**CONTAINER DISPOSAL:** Securely wrap original container in several layers of newspaper and discard in trash.

## WARRANTY STATEMENT

NOTICE: The manufacturer warrants that this product conforms to the chemical description on its label. When used in accordance with label directions under normal conditions, this product is fit for its intended purpose. Since timing, method of application, weather and ground conditions, mixture with other chemicals, and other factors affecting the use of this product are beyond our control no warranty is given concerning the use of this product contrary to label directions, or under conditions which are abnormal or not reasonably foreseeable. The buyer and/or use assumes all risks of any such use.
