ENVIRONMENTAL HAZARDS

Do not contaminate water by cleaning of equipment or disposal of wastes.

Use this product only as specified on label. DO NOT CONTAMINATE WATER, FOOD OR FEED BY STORAGE OR DISPOSAL.

PHYSICAL OR CHEMICAL HAZARDS

Wash Full Load™ spillage off thoroughly. The same precautions should be observed in equipment stored after use. If Full Load™ concentrate contacts clothing, flush thoroughly with water.

DIRECTIONS FOR USE

USE THIS PRODUCT ONLY AS SPECIFIED ON LABEL. Full Load™ adjuvant should be added to the spray water with adequate agitation prior to the addition of the glyphosate herbicide. Fill the tank half full add Full Load™ finish filling then add a glyphosate herbicide. This should give time for Full Load™ to react with the hard water cations. Full Load™ adjuvant is intended to tie up cations, condition the spray water and enhance the penetration of the cuticle for glyphosate. Full Load™ contains surfactants will replace surfactant only products. Full Load™ will work with other anionic herbicides. NOT FOR AQUATIC USE.

STORAGE AND DISPOSAL

DO NOT CONTAMINATE WATER, FOOD OR FEED BY STORAGE OR DISPOSAL

STORAGE: Do not store at temperatures above 140°F.

DISPOSAL: Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility.

CONTAINER DISPOSAL: Triple rinse (or equivalent) all containers and offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill, or use other procedures approved by state

CONDITIONS OF SALE AND WARRANTY: 1. Seller warrants that this product conforms to the chemical description on the label and is reasonably fit for the purposes stated when used in accordance with the use directions under normal conditions. Seller neither makes, nor authorizes any agent or representative to make any other warranty of FITNESS or of MERCHANTABILITY, guarantee or representation, express or implied concerning this material. 2. Critical and unforeseeable factors beyond the Seller control prevent it from eliminating all risks in connection with the use of this material. Such risks include, but are not limited to damage to plants and crops to which the material is applied, lack of complete control, and damage caused by drift to other plants or crops. Such risks occur even though the product is reasonably fit for the uses stated herein and even though label directions are followed. Buyer and user acknowledge and assume all risks and liability resulting from handling, storage, and use of this material (except those assumed in 1 above). Seller shall not be liable for incidental or consequential damages.
