

Natural Carnauba Adjuvant for Enhanced Fungicide Effectiveness

PRINCIPAL FUNCTIONING AGENTS:

Carnauba Wax	19.0%
Constituents Ineffective as Spray Adjuvants . . .	<u>81.0%</u>
Total	100.0%

All ingredients are exempt from the requirements of a tolerance under 40 CFR 180.

Keep Out Of Reach Of Children

CAUTION

This product is a mild irritant. Eye contact will cause minor irritation. Individuals sensitive to alkaline materials may develop dermatitis upon prolonged or repeated contact with product concentrate. If dust/mist residuals are present at or above the TLV, respiratory protection must be worn. Wear additional protective clothing as necessary to minimize contact with product.

FIRST AID

If in Eyes: Flush with large amounts of water, lifting upper and lower lids occasionally. Get medical attention if irritation persists.

If on Skin: Wash exposed areas thoroughly with soap and water. Remove contaminated clothing and laundry before reuse. If skin feels slippery, continue washing until slick feeling is gone. Contact a physician if irritation persists.

If Swallowed: Give large quantities of water. DO NOT induce vomiting. If vomiting occurs administer additional fluids. Contact a physician for further directions. Never give anything by mouth to an unconscious person.

If Inhaled: Remove individual to fresh air. If breathing is difficult, give oxygen. Contact a physician if irritation persists.

PRODUCT MAY SETTLE DURING EXTENDED STORAGE; AGITATE OR MIX THOROUGHLY BEFORE USE. DO NOT STORE AT TEMPERATURES BELOW 45°F OR IN DIRECT SUNLIGHT.

DIRECTIONS FOR USE

WashGard is a patented natural coating sprayable onto fruit and trees to enhance rain fastness of copper fungicides. The waxy matrix of WashGard helps to maintain the physical integrity of copper formulations on the fruit surface, making the formulation more durable and resistant to rain wash-off. WashGard does not have any pesticidal activity by itself but extends the activity of copper fungicides it is tank mixed with.

TANK MIXES: This product may be mixed with copper fungicide products. Do not exceed the label rate of the fungicide.

Mixing:

1. Fill clean spray tank with half of required dilution water.
2. Mix contents of tank as you slowly add 2.5 gallons of product to water for each acre.
3. Add required copper fungicide after product is thoroughly mixed in spray tank.
4. Add remaining dilution water.

APPLICATIONS: Ground Application - Apply finished spray by airblast or boom sprayer to the trees. Make sure to use at least 2.5 gallons of WashGard per acre. Lower dilution rate may end up reducing rainfastness of the mix. WashGard dilution rate must be at least 1% in order to ensure proper copper retention.

When to apply: Follow instructions on copper fungicide label.

CLEAN-UP: Clean sprayer tank and nozzles immediately after use by adding clean water to the spray tank and spraying the water through the nozzles. If any product has dried on the sprayer, it may be necessary to clean with hot water and detergent.

REMOVAL OF RESIDUES FROM FRUIT: Florida citrus packing-line washer brushes alone may sufficiently remove residues from fruit; however, use of a mild detergent on the washer brushes will aid in removing residues.

Natural Carnauba Adjuvant for Enhanced Fungicide Effectiveness

STORAGE & HANDLING

STORAGE: Store in a cool, dry place above 45°F but away from direct sunlight. Keep out of reach of children and livestock.

SPILLS: Only trained personnel equipped with proper protective gear should be permitted in the area. Stop spill at source. Reclaim material if possible for reuse. Containerize contaminated material for disposal. After all visible traces have been removed, flush area thoroughly with water.

PRODUCT & WASTE DISPOSAL: Dispose of all waste in accordance with local, state and federal regulations.

LIMITED WARRANTY, TERMS OF SALE, AND LIMITATION OF LIABILITY

Upon purchase or use of this product, purchaser and user agree to the following terms:

Warranty: Pace International, LLC (the Company) warrants that this product conforms to the chemical description on the label in all material respects and is reasonably fit for the purpose referred to in the directions for use, subject to the exceptions noted below, which are beyond the Company's control. The Company makes no other representation or warranty, express or implied, concerning the product, including no implied warranty of merchantability or

fitness for a particular purpose; no such warranty shall be implied by law, and no agent or representative is authorized to make any such warranty on the Company's behalf.

Terms of Sale: The Company's directions for use of this product should be followed carefully. It is impossible to eliminate all risks inherently associated with use of this product. Crop injury, ineffectiveness or other unintended consequences may result because of such factors as weather conditions, presence of other materials, and the manner of use or application (including failure to adhere to label directions), all of which are beyond the Company's control. All such risks are assumed by the user. Sale of this product is governed by the internal laws of the state of Washington; any action with respect to this product shall be brought exclusively in the state or federal courts located at Seattle, Washington U.S.A.

Limitation of Liability: The exclusive remedy against the Company for any cause of action relating to the handling or use of this product is a claim for damages, and in no event shall damages or any other recovery of any kind exceed the price of the product which caused the alleged loss, damage, injury or other claim. Under no circumstances shall the Company be liable for any special, indirect, incidental or consequential damages of any kind, including loss of profits or income, and any such claims are hereby waived.

The Company and the seller offer this product, and the purchaser and user accept this product, subject to the foregoing warranty, terms of sale and limitation of liability, which may be varied or modified only by an agreement in writing signed on behalf of the Company by an authorized representative.
