

B.A. HUMUS-D.C.

Fertilizer Compatible Granular Humus

CONTENT ANALYSIS:

Humic Acid derived from leonardite	70.0%
Total other ingredients	30.0%

CAUTION

KEEP OUT OF REACH OF CHILDREN

DIRECTIONS FOR USE

PHT B.A. Humus-D.C., a naturally occurring soil compound functions in two ways; 1) a mineral complexing agent that is readily absorbed by plants; 2) a plant and microflora metabolite that stimulates and supports growth and reproduction. PHT B.A. Humus-D.C. may be applied by ground or air methods. PHT B.A. Humus-D.C. is compatible with most dry pesticides and dry fertilizers. PHT B.A. Humus-D.C. is effective when applied to all agricultural crops and all soil types. This product is intended to supplement a regular fertilizer program and may not, by itself, provide all the nutrients normally required.

PHT B.A. Humus-D.C. is a coated leonardite mix manufactured with a proprietary process that allows it to be mixed with Urea and other hygroscopic Nitrogen fertilizers.

SOIL APPLIED WITH OTHER NUTRIENTS ON AGRICULTURAL CROPS: Broadcast application is recommended. Mix with all dry fertilizers at a rate of 40 lbs./acre PHT B.A. Humus-D.C. may be applied anytime during the year. For best results make the first application in the fall after deep tillage to let rains carry it in or sixty days before deep tillage is done to allow time for release of Humic Acids. A second application is recommended at pre-plant up to first blossom. Rainfall or irrigation after application can be beneficial.

Can be applied alone at 40 pounds / acre.

DISCLAIMER OF WARRANTIES: Seller warrants that the chemical composition of this product conforms to the chemical description given on this label. THIS WARRANTY IS EXPRESSLY IN LIEU OF ALL OTHER WARRANTIES AND REPRESENTATIONS EXPRESSED, IMPLIED, OR STATUTORY, INCLUDING WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR USE. Timing, rate and method of application, weather and crop conditions, mixtures with chemicals not specifically recommended on this label or an accompanying written recommendation, are beyond the control of seller. Buyer assumes all risks of use, storage and handling of this material not in strict accordance with directions given herewith. Buyer further agrees in the event of damages arising from the use of this product to accept a replacement of the product or a refund of the purchase price of the product, at buyer's option, as full discharge of seller's liability. No one is authorized to make any other warranty, guarantee or directions concerning this product, and no such warranties, guarantees or directions shall be valid or binding upon seller.
