

SurfPack®

Version Dec2011

Brilliance® is a safe and effective long-lasting soil surfactant designed for use on fine turfgrass.

Once in the rootzone, **Brilliance** alleviates soil water repellency, the cause of localized dry spot.

Brilliance enhances the infiltration and overall movement of water in the rootzone to provide enhanced turf performance.

Active ingredient: 99% Alkoxylated Polyols

NOT A PLANT FOOD INGREDIENT

Brilliance is readily soluble in water and can be applied with conventional application equipment. Apply **Brilliance** early in the season prior to the onset of stress. Do not apply **Brilliance** to turf under stress.

One full-rate application of **Brilliance** will provide 3 to 4 months of relief from water repellency problems such as LDS. The number of applications required is directly related to the length of the growing season, environmental and geographic conditions. Consult with your sales representative for the specific recommendation in your geographic location.

DIRECTIONS FOR GENERAL TURF USE

Greens, Tees, Fairways, Lawns & Sports Turf

	Per 1,000 Ft ²		Per 100 Meters ²	
	16 Fl. Oz.	5 Gal of Water	515 mLs	20 L of Water
Full-rate application	Irrigate sufficiently after each application to remove Brilliance from leaf surfaces. Re-apply after 3-4 months, or as necessary.			
Split application	8 Fl. Oz.	2 Gal of Water	260 mLs	8 L of Water
	Repeat same application 7-10 days later. Irrigate sufficiently to remove Brilliance from leaf surfaces. Re-apply after 3 months, or as needed.			

Brilliance is intended for use only as a single component in a spray application. Any combination of Brilliance with other substances in a spray application shall be at the Buyer/User's sole risk and shall be consistent with all manufacturers' label requirements.

PRECAUTIONARY STATEMENTS

NOTICE: Before using this product read the entire Precautionary Statements, Disclaimer of Warranties, Directions for Use, Use Restrictions and Storage and Disposal instructions. If the Disclaimer of Warranties is not acceptable, return the product unopened within thirty (30) days of purchase to the place of purchase.

CAUTION: Keep out of reach of children. IN CASE OF EMERGENCY OR SPILL, Contact Hazmat Response 1 (800) 229-5252.

FIRST AID MEASURES IN CASE OF CONTACT

Eye Contact: DO NOT RUB EYES. Immediately flush eyes with large amounts of water for 15 minutes lifting the lower and upper lids. Seek medical attention if necessary.

Skin Contact: Remove contaminated clothing and immediately wash affected area with large amounts of water for at least 5 minutes. If irritation or redness persists, seek medical attention as needed.

If Swallowed: Give large amounts of water to drink. Seek medical attention if necessary. Induce vomiting only upon advice from a physician.

Inhalation: Move individual to fresh air and check to assure adequate respiration. Seek medical attention if necessary.
