Proposition 65, the Safe Drinking Water and Toxic Enforcement Act of 1986, requires notification of potential exposure to substances identified by the State of California as causing cancer, birth defects or other reproductive harm.

CAUTION

KEEP OUT OF REACH OF CHILDREN

May Cause Eye Irritation. Avoid Contact With Skin And Eyes

GENERAL INFORMATION

Plant Health Technologies liquid MICRO MIX provides micronutrients in a form readily available to plants. PHT MICRO MIX is most effective when placed in the root zone during planting or moved onto the soil by irrigation, tillage or rainfall. Rate of application will vary depending on the severity of the deficiency, climate, soil type and method of application. Consult your state agricultural experiment station or extension specialist for advice in selecting treatments from this label to best fit local conditions.

COMPATIBILITY: This product is compatible with most pesticides and fertilizers. A simple jar test for compatibility is recommended prior to any large scale mixing.

DIRECTIONS: Soil application: This product can be applied alone or in combination with liquid fertilizer for pre-plant, starter or sidedress applications. For most effective treatment of row crops, make soil applications in a band at planting time or as a sidedressing shortly after planting.

RECOMMENDATIONS FOR USE

For applications in: Field, Vegetable, Tree and Vine Crops.

Soil application: Apply 1-4 quarts per acre in liquid starter fertilizer. Rates will depend on the severity of deficiency, soil conditions and soil testing recommendation.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal. Triple rinse container; empty rinsate into spray tank. Dispose of empty container by triple rinsing and offer for recycling or reconditioning or puncture and dispose of in a sanitary landfill, or incineration, or if allowed, by state and local authorities, by burning. If burned, stay out of smoke.

DISCLAIMER OF WARRANTIES: Seller warrants that the chemical composition of this product conforms to the chemical description given on this label. THIS WARRANTY IS EXPRESSLY IN LIEU OF ALL OTHER WARRANTIES AND REPRESENTATIONS EXPRESSED, IMPLIED, OR STATUTORY, INCLUDING WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR USE. Timing, rate and method of application, weather and crop conditions, mixtures with chemicals not specifically recommended on this label or an accompanying written recommendation are beyond the control of seller. Buyer assumes all risks of use, storage and handling of this material not in strict accordance with directions given herewith. Buyer further agrees in the event of damages arising from the use of this product to accept a replacement of the product or a refund of the purchase price of the product, at buyer's option, as full discharge of seller's liability. No one is authorized to make any other warranty, guarantee or directions concerning this product, and no such warranties, guarantees or directions shall be valid or binding upon seller.
